February has been fairly dry except for the days that I am scheduled to ride such as our meeting day, Ron's breakfast ride (but we still had a great turn out). After breakfast Norm and I went to Palm Springs which was clear and warm, then took Hwy 74 towards home, nice ride. March 1st rained on the way to drill Team practice but did not rain while practicing. It did rain on the way home. Chapter I's ride had a decent day for weather. Chapter I had a lot of people show up for the Rally, too bad there wasn't more chapter M members (thankyou to the ones that did show). Hopefully we can show our support to Chapter F on March 14th.

On March 21st I am leading a ride Chapter Z's meeting, afterwards they are leading a ride to Carlsbad to a miniature engineering museum. It sounds quite interesting. If you go to group works and look under Chapter Z's meeting, they have a site you can click on to get more information. Of course, don't forget to check out our dinner and breakfast rides for March.

Below is some Trivia that was listed in our 2000 Newsletter.

Coca-Cola was originally green

Every day more money is printed for Monopoly than the US treasury

Men can read smaller print than women: women can hear better.

City with the most Rolls Royce's per capita is Hong Kong.

State with the highest percentage of people who walk to work: Alaska.

The world's youngest parents were 8 & 9, lived in China in 1910.

I am enjoying the articles in the newsletter written 20 years ago. If your interested in looking at them, let me know.

In honor of St. Patrick's Day here are a couple of limericks by the famous Edward Lear

There was a Young Lady of Hull,
Who was chased by a virulent bull;
But she seized on a spade,
And called out, 'Who's afraid?'
Which distracted that virulent bull.

There was an Old Man with a beard,
Who said, 'It is just as I feared!
Two Owls and a Hen,
Four Larks and a Wren,
Have all built their nests in my beard!'
