With all the news about the helicopter crash, corona virus and Trumps Impeachment, doesn't that just make you wanna get on that bike and ride. Hopefully this year you can find many rides for you to go on. District is doing the Spring and Fall Rides again this year. The Spring ride will be six days visiting all 21 missions in California via back roads. Then the Fall ride will be done in six weekends visiting the best back roads in all 58 counties of California. If you participate for one day on either ride you are eligible to be in the green hat club. If you are checking our calendar for rides and do not see something that interests you, try looking on groupworks under chapter Z, V or F for any rides that look interesting. Since the 1st of January I have ridden with Chapter F once and Chapter Z twice.

After our meeting I lead nine bikes to Peggy Sue's Diner in Yermo. We did about ten miles of freeway and the rest was on back roads. The weather was a little brisk but bearable. People on the ride were Linda, Norm, Paul, Trent, Jerry, Ron, Russ, Bob McFall, Jim & Suzanne. A couple of them have never been there, they said they have driven by for years but never stopped. Same with me until I started riding with Chapter M. At our meet and eat for the month we had eleven people show up at the Spaghetti Factory. Tammy thanks for setting this up. For our monthly dinner ride to Grandmas Kitchen it was Lois, me and Gary Blackburn that rode over there, Glenn & Eldonna met us there. I was concerned if I could get to Banning on time leaving from location 1, taking the backroads. but I had ten minutes to spare.

At the officer's conference in Bakersfield Ralph & Robyn (District Directors) told us about the contest games. It is very detailed, and I hope to try and explain it at the next meeting. Basically, if you participate you get points. Such as attendance, wearing your colors (vest or Chapter shirt), going to any GW event, bringing in new members, helping out at District Rally, going to Wing Ding, etc. They also mentioned that the COY's from last year are still the COY's until they compete (if they want to) at the CA. District Rally in May. In May we will select a new COY, which will run from May 2020 to May 2021.

In February there is Chapter I's Rally on February 15th. Please attend and support this Chapter. Plus, the Gold Angels Drill Team will be performing there. Check the calendar for the Wednesday's activities and Ron's breakfast ride.

Chapter CA-1M Gathering Minutes

by Linda Flechtner

January 12, 2020

We missed John and Judy who were home sick,

Get well soon!

Jerry talked about checking out other Chapters and getting in some rides with them when you wanted something different. It's fun to visit other Chapters and we can get some really great ideas from other Chapters.

Jerry talked about trying to interest other riders to join our Chapter and the GWRRA. We have a flier that gives 4 months free trial of the GWRRA and it's a great tool to use for recruiting new members.

The flyer for the four free months of GWRRA membership will be in the Newsletter to help with recruiting new members.

We had 1 Guest Mike and he won the Visitor prize

Chapter Pride was won by Julie

Winners in pass the gas were: Larry Cecilia, Eileen, and Russ

Get in and Get out winner was Julie 50/50 winners were Paul & Russ

Raffle prize winners were Bear, Julie, Jerry, Norm, Paul, Larry, Eileen, Fred and Dennis

Jerry led the after meeting ride up the back way to Yermo and to have Lunch at Peggy Sue's.

We had 30 members, 1 visitor, 10 bikes and 0 trikes

The Officers Conference in Bakersfield was very well attended. The five of us that went were treated to a breakfast burrito before the meeting and a sit down lunch later. We learned about the new contests, rider education, motor awareness, and how crucial it is to get new members to join if we are to grow as Chapters. The new District rides involving all the counties and all the Missions in California will be a lot of fun.

And I won second place for our Chapter Newsletter, Thank you!

Greetings California Well, January sure flew by. What happened to it? We had a great Officer's Conference in Bakersfield that was well attended. We were able to get a lot of information out there for all of the attendees. Just before the conference we started advertising the Spring and Fall Ride Dates. The Spring Ride is just around the corner, and we are already getting a lot of signups for the rides. The spring ride details are up on Groupworks, ready for you to review. Included on each day's event is the route. Just a point that many are finding out the hard way is that many of the smart phones do not interpret the embedded link properly and do a "fastest route" end to end. If you have one of the newest phones, it may work. Either click on the link on your computer, or copy and-paste that into your browser's URL and you will get the details of the planned ride. Whenever possible, we are staying off of the freeways and enjoying the byways of California. Keep informed of changes on Groupworks. Before you know it, we will be getting together at the Best Western La Mesa in San Diego to kick off the spring ride. The Fall Ride will be spread out over 6 weekends. We will ride in all 58 counties of California during the Fall Ride. The 6 weekends will start the weekend after Labor Day in Merced, and move North and South, back and forth to cover the entire state. The last weekend will be in Bakersfield on October 17/18. We are looking for chapters to host some of the weekends, or the riders with a lunch or BBQ, or some other event to celebrate the ride. Let me know your interest, and we will set the final routing and timing to work within your availability. For a further incentive to get out and ride, check out the 2020 District Game. Yes, there are a lot of ways to earn points that will add up to the numerous cash prizes. Participation in the Spring Ride and Fall Ride will dramatically improve your participation point count, both as a Chapter and an Individual. All you need to do is to get active and follow the rules. You just could win some big bucks in the process. At the Officer's Conference we initiated the California Riders Green Hat Program. To kick it off, each rider or co-rider that participated in the 2019 District Rides earned a Green Hat. For 2020, District Ride Coordinator – Don Kuellmer Page 7 of 21 February 2020 Volume: XII Issue: 02 Don't forget to check out the California District Website at: www.gwrca.org the minimum requirement to earn a Green Hat is to participate in a full day of either ride. As with most programs, one hat to a rider or co-rider. At the Officer's Conference, once the green hats were awarded, most were worn the rest of the day. Bring them to Chapter Gatherings, Chapter Rallies, District Rally, and show your pride that you are out there riding and participating. The next distribution of Green Hats will occur at the 2021 Officer's Conference. We will pass them to a representative of the recipient's chapter if they are not at the conference. As 2020 is rapidly passing in front of our eyes, it is not too late to think about the District Rally and getting signed up for the classes you want to take. ARC and TRC are limited seat events. Likewise, CPR/Fist Aid. If you have any specific training classes that you are interested in, get that information sent into our District University Coordinator early. That will allow us to properly schedule both the space and the instructor. FYI – I am not planning a recent Crash Scene seminar, nor to be fully refreshed on the procedures like last year! Thank you for all you do for your chapters every month. Without a vibrant chapter program that includes an active leader of that program, the chapter life gets stagnant. Keep it going and going strong! Until our tire tracks cross again, Ride Often, Ride Safe, and keep the rubber side down!
