October has always been a happening month for me. The following things have happened to me in October, I joined the service, went to Vietnam, returned from Vietnam, started with T.M. Cobb Co (for 45 years) , my youngest daughter married on Halloween plus I get to help with the planning of our CA1M Rally. Which appears to have gone quite well. We had 120 registrations, with 110 showing up.

Again, I want to thank all the members who had taken many hours of their time to make our Rally a success. I know I spent several hours the night before of loss sleep thinking, do we have everything, will people show up, will there be enough food and drink, will there be enough for them to do, etc. But the next day as members started showing up and started doing what needs to be done, the tension lightens up. Then other chapters start showing up and you see all the friendly smiles you know it was all worth it. Next year as the Rally's come up, remember all the hard work that it takes to put on a Rally and show your support by attending the Rally's. The more you participate the more you get out of it.

Other happenings in Oct was the District Ride which hit all four corners of Calif. I went up to CA2R's Rally in Redding, one of their members put me up for the night. When I arrived, we went over to CA2R's chapter Directors house and had dinner along with the people that were on the District ride (Don, Roger, Cindy and Pat). The next day at the Rally a 2R member took us on a tour of the old part of town and museum. Which was almost destroyed by fire. Later, in the month Fred lead a ride to a car show in Hemet. Then Trent and I went to Le-moore to put on an ARC class. The range was an old 1930 era airplane training center surrounded by Pistachio trees.

Novembers meeting Larry Tegel plans on taking up on a nice ride up past Idyllwild and into Palm Springs area. That is always a fun ride, plan on joining us. He plans on eating at a place called Shields. On the 23<sup>rd</sup> Glenn has arranged a Mall show at the Moreno Mall. The plan is to show off our bikes promote motor awareness and hopefully recruit new members. Check the calendar for the breakfast ride Ron and Dianne Hogle have planned for us.

Chapter CA-1M  
RALLY RAMBLINGS  
by Linda Flechtner  
OCTOBER 5th, 2019

Our day started early for the members to set up for our Chapter Rally. Most everyone was there at 630 AM. We provided donuts and coffee, a welcomed treat so early in the morning. We had a wonderful sunny and warm day for our Rally. Tables were set up, E Z ups went up and table cloths went on the tables. Everybody had a job and everyone was busy. The games were set up and so were the refreshments. The Prize tables and cookie table were set up and the registration table was set up in the store. A raffle ticket table was set up to sell more tickets. The guests started arriving and checking in with registration. Trent and John led guided rides and everything went very smoothly. We had about 110 people and over 40 bikes. Honda/Yamaha of Redlands provided the excellent Taco truck with three different meats, rice, beans and salsa. Very, Very good! Honda/Yamaha of Redlands also put on two seminars for everyone to attend. We played the music guessing game and munched on popcorn, fruit and beverages. There was the poker hand table, the ball toss, the bean bag toss and the cow patties toss. All the people who participated in the games received tickets to be drawn for a prize later. Everyone who went on the guided ride received a ticket towards a money prize. Everyone had a great time. After we had finished eating, the door prize tickets were drawn and thanks to our generous members we had plenty of great door prizes. Then the Grand prizes were called and the winners collected, money, tires, a jacket, gift cards to Honda/Yamaha of Redlands, and other great gifts. When it was all over and all the guests left, our members pulled together to take everything down and there were many truck and car loads of tables, E Z ups, food and beverages being packed up. After everything was done Jerry treated everyone to Pizza at a local Pizza place. Thanks to our members for a successful Rally and to all our guests and especially to Honda/Yamaha of Redlands for letting us hold the rally in their lot and providing the food. THANK YOU!!!!!!

## DD Thoughts

Well it's November, and the rallies are pretty much wrapped up for the year. Robynn and I have traveled up and down the state enjoying the various chapter rallies. The work that many chapter members have put in to make these successful really shows. As District Directors, we really appreciate everything everyone has done. Having put on a District Rally and the Officers Conference, we know the effort that goes on behind the scene. Although hosting a rally requires some work, it is a great way to bring the members together. Rallies bring satisfaction for all the members involved. Rallies also strengthen the chapter and the District by building friendships. Gary Mouldenhauer has been collecting data showing which chapters will be holding a rally and when they'll hold it. We are trying to prevent two chapters having a rally on the same weekend unless they are close to one another. This allows the members to attend both rather than having to choose one over the other. With that in mind, it brings up a thought for something different for 2020. To try something different we could have two chapters that are a short ride apart join for a single rally. One chapter could be the starting point and the second could be the end point. Activities could take place at both ends to share the workload. The joint rally involves more people doing less per person. Sound interesting? Give the idea some thought.

Thanks -
