CA1-M Chapter
Directors

On August 18th five of us took off from location 2 to visit the Oasis Camel Farm in Ramona for their watermelon feeding of the Camels. First, we got off in Rainbow and took Rice Canyon road which is always fun to take. Then to 76 and so on. It was a nice day and ride. Once there we wondered around to see, miniature donkeys, goats, turkeys, exotic birds and of course camels. Afterwards we saw a bird show, which was the high light of the whole day. The lady doing the show said she had been on the Jay Leno show a couple of times. After the bird show we fed the camels watermelon. That was different. Then we waited around for the magic show, it was not worth the wait, it was geared for the kids but still was poorly done. But everything else was worth going. Nice ride home also.

On the dinner ride Glenn took us to Harry's in Parris, weather cooled down nicely for a great ride.

As you know we lost a friend, Danny Hoeft, this month and Saturday August the 25th was his funeral. Many were there to say their goodbyes to our long-time member. Thanks to all the members who brought food. Lonnie Casper who was a chapter M member and CD years ago was the minister who said some prayers and told some stories about Dan. Then others got up and talked about Dan. They also had a film going of random pictures of Dan growing up. It was nicely done. This month we have been to two GWRRA members funeral, hope that's it for a long time.

Check the newsletter for dinner rides and the breakfast ride coming up.

Jerry's Chapter Director's comments

We all mourn the passing of Danny Hoeft. He was a long time member and will be missed. We have a new Chapter Store manager Patrick Green please see him for shirt orders and other goodies. If you missed the CA1-S ride to Ventura you missed a good time. The Gold Angeles performed at the Oxnard Yacht Club and the Yacht Club was so impressed by the performance they gave a donation to the Gold Angeles. The Gold Angels will certainly be there next year. Jerry taught a ARC class in Reno Nevada and the Chapter Director really took care of Jerry taking him to dinner. They went to the Casino where the District Rally will be held next year and where the Gold Angeles will perform. By the way if you are looking for extra excitement and traveling in your life the Gold Angeles are recruiting new members. Jerry welcomed Randy a long time member who lives in Arizona now to the gathering. Jerry also reminded us to keep December 8th open for our Chapter Christmas Party. Jerry talked about a 40th anniversary party for our Chapter but we have plenty of time to plan it since it is in two more years.

Visiting Chapters: Chapter Z and Chapter C. Sherman from Chapter C reminded us of their rally on November 3rd it's only \$5.00 for the spaghetti.

Trent spoke about Danny Hoeft who joined the GWRRA in 1982. The service was well attended and he thanked all the people who contributed food for the event.

Chapter Charity Lois: Cherrie brought brownies and Fred won them.

Ride Coordinators: Linda went over the upcoming rides and then we played the gas game afterward. Fred brought up a BMW rally he went to 100 miles north of Reno. Linda mentioned that Harley nights would be happening at the Orange county Fair grounds on Saturday and all bikes were welcomed for the motorcycle races and music.

A very nice and cool ride.

2018 CA-Dist Quarterly Newsletter

Hello California,

Bob and I are getting ready to leave for a 7-week ride across country on our trike.

Included in our trip, of course, is Wing Ding. Hope to see many of you there. Be sure to call your new and perspective members on the ARL and welcome them to GWRRA and let them know about your chapter. Let's make them feel glad they joined, or are considering joining, and welcome them to participate with your chapter. Remember the challenge to have the most improved membership for the year. It is also time for your chapter team to be choosing a date for 2019 Chapter events (rallies). In the past this was done at District Rally, but with not having one this year, and from now on having it on Memorial weekend, it will be necessary for you to request the date in September or as soon as you know the date you would like. These will be approved on a first come basis.

Although we will be travelling, Bob & I are still available to assist in any way possible. Email or text messages are the best contact sources while on the road. We will get back to you as soon as we can. Hope you are able to have fun with your chapter in COOL ways this month. Be creative with activities that will keep you safe in the heat.

HAVE FUN...AND RIDE SAFE.

Highland Cycles was acquired in 1997 by Paul McMichael Sr. and his wife Cheryl. What began as a hobby based on a love for motorcycles became a family business. Since 1997, Highland Cycles has evolved and become the business it is today all while being built on the cornerstones of Faith, Family, Friendship and Integrity.

On January 2, 2018, Highland Cycles opened just we have any other day for the past 20+ years (bright and early with a full pot of coffee brewing for our customers), however, with a couple changes. The torch has been passed to Paul McMichael II (Paul Jr., who has managed the store for over 6 years) and his wife, Wendy. You will also recognize our top notch Mechanic, Jay, who is truly a part of the fabric of the shop. Highland Cycles has built longstanding, respected relationships with Vendors and Customers alike. We look forward to continuing those relationships into the future through the same cornerstones our shop was built on, Faith, Family, Friendship and Integrity.

While our focus may be on Honda Goldwings and Trikes, we welcome riders of all marques (Street and Off Road). Come in for a cup of coffee, see our expansive inventory, chat with fellow riders and experience the difference.

SECRETS FOR SMART TOURING

By American Motorcycle Association

Eat at weird times.

Everyone and their dog eats around 8 a.m., noon and 6 p.m. So if you want to get in and out of restaurants quickly, plan ahead so you're not hungry at those times.

Carry a spare key.

Hide your spare somewhere on your bike using a zip-tie or duct tape, or trade keys with a traveling companion.

Set yourself up for a quick getaway.

If you're nearing the end of your riding day, you can set yourself up for a quick getaway in the morning by riding to the far side of the next city you reach before stopping. This will eliminate time lost in urban traffic the next morning.

Look your bike over every morning before hitting the road.

Checking the simple stuff—air pressure, oil level, loose or missing fasteners—only takes a little time, and it can save you from big trouble. Use the T-Clock.

Keep track of where you are.

Your cell phone can be a lifesaver in an emergency. You can dial 911 for help anywhere you've got service, but dispatch will want to know where you are. Keep track of route numbers, interstate exits, towns you've passed, road signs, mileposts—anything that can save emergency officials time in getting to you

Be realistic with your daily mileage.

In really scenic areas, 150 miles may make a very full day. Don't assume you can achieve freeway mileage on good back roads

Getting to Know One of the Herd

in

This month it is Tammy a non rider but great asset to our Chapter.

Tammy used to go on the rides in her car and then starting riding behind John for the shorter rides. Her first long "bike" trip was with Shirley and Gary Blackburn a car to Reno.

While they were there she rode behind John to all the local areas. Tammy joined Chapter M in 2008 when she joined the GWRRA.

Tammy's hobby is being a Nanny to two sweet girls for the last four years and she loves being around kids.

Her advice to new motorcyclist is to wear all the gear all the time. She and John are our Chapter Tour Directors.

Her favorite restaurant is Tony's Tacos.

Her favorite colors are sparkles and pink.

Tammy has had a career as a Store manager for Angels hardware, Builders Emporium, and Orchard Supply Hardware stores.

Tammy grew up in Riverside and was born in South Dakota.

Tammy has a family of kittens at home one named Jelly and her newest addition June Bug, and of course John.

Tammy and John met in High school, and hung out together all the time. She says they went their separate ways until about 14 years ago. They did stay in touch through the years and still see many of their High School Friends.

Tammy and John are our Chapter Couple of the Year and also our Chapter Ride Coordinators.

Tammy's involvement in the Chapter is always positive and she is a great asset to our Chapter with all her hard work and great organizational skills.

Thank you Tammy!
