The month of March has sure turned out to be a crazy month. We started out good, with 16 people showing up at Olivia's Mexican Grill in Riverside for our Wednesdays Meet and Eat. We had great food with good company. Monday the 8th we had our gathering and afterwards eight of us (Tammy, John, Larry, Sherrie, Jerry, Lois, Roger and Paul) went to the Aquarium of the Pacific in Long Beach. Lois and I had not been there before in which we had a good time. On the 14th Trent Roger and I showed up at Chapter F's Rally. Weather looked bad, but it only drizzled a little when we were there, I counted about 40 people in all. I won a hundred-dollar gift card from Motorworld. I figured I can always use oil, so that's what I bought.

Monday the 16th Paul Boucher called me to say that he had to go home early cause Canada was calling all citizens back home by Thursday because of the Corona Virus. I had agreed to store his bike and then agreed to store his car due to short notice.

When I was younger and thought of the year 2020, I thought more of there being flying cars and traveling to the moon, not stuck in the house due to a Coronus virus, but as they say "it is what it is, deal with it". Until GW tells us it's okay to continue with rides and gatherings we are grounded. For April we did not add rides to the calendar but keep in mind (in case things change) that our meeting would be on the 5th of April due to Easter being on our normal meeting day. If things change, I will send out an updated calendar. Stay home and be safe, hopefully this won't last forever.

We hope everyone in the chapter is doing well. Due to the unforeseen circumstances that are happening around the world, we will not be holding any CA1M chapter events for the month of April.

As soon as there is a lift on our "stay at home" situation, we will be informing everyone of any upcoming events. Jerry will keep you posted.

Due to the COVID-19 pandemic, we would like to encourage you to postpone all Chapter and District gatherings for the time being. We are aware that many of you have already done so, but felt it was important to reiterate the message for any of you that have yet to do so. Unfortunately, due to the fluidity of the situation, we cannot begin to estimate the length of time this request will remain in effect. But we can assure you that we are in continued communication with health entities and municipalities across the country for the most up to date and accurate information.

We would also like to mention, that at this point, Wing Ding, which is to be held in Springfield, MO, from 6/30-7/4/2020, is NOT being postponed and/or cancelled at this time due to it still being several months away.

The health and wellness of our members is of the utmost importance as an association, and appreciate your support and understanding of the current situation. If you require any additional assistance, please don't hesitate to reach out to our Home Office at 800-843-9460 or memberservices@gwrra.org.

Additional information can be obtained from the Center for Disease Control and Prevention (CDC) and the World Health Organization (WHO) including steps to limit the spread of COVID-19.

Mike & Barri Critzman
Director of Motorist Awareness

Did You Know.... The question was asked, “What can one person do for Motorist Awareness?” To be honest we, the Motorist Awareness Program Directors, are so busy trying to make presentations and tools available that we sometimes forget that our best asset is YOU! Everyone who rides a motorcycle or is a riding enthusiast is critical to the Motorist Awareness Program. Remember, you are all Motorist Awareness Coordinators! You don’t have to be an ITCP, Dale Carnegie or Toastmasters graduate, have a table at a rest stop, or host a drill team to be effective. Here are some really simple things one person can do: * Take MAP trifolds to dealerships, restaurants, businesses, or places of worship. * Take coloring pages to local schools or day care centers. * Ride your motorcycle. * Wear your vest. * Place a MAP bumper sticker on your trash cans. * Send a letter to your local newspaper about Motorist Awareness. * Tell people about riding – its risks and rewards, and why it’s important for motorists to look for motorcycles. * Wear an orange ribbon for Motorcycle Awareness. There are many more opportunities. Be creative and enjoy helping your fellow riders!

Help Us Survive the Ride!
