January sure was wet and it went by quickly. Sounds like many of us had colds which made us miss some great rides. I missed several rides myself, which is unlike me. I am a little stubborn when it comes to seeing the doctor, I finally did and I am feeling so much better.

At the last meeting Trent and Denise gave all of there staff a pair of flashlights for each couple. Usually we get at certificate of appreciation which is good, but getting the flashlights was a very nice. Thanks Arriving home from our Grandson's birthday party on Sunday our whole neighborhood was pitch black and it lasted for several hours. The flashlights came in handy while the lights were out. I am handwriting this article via the flashlight power.

January 21<sup>st</sup> seven of our new officers paddled our way up to the Officers Conference in Bakersfield. It was a long day, but it went smoothly. Of course at these meetings they have to introduce who's who, then give patches to the officers that are retiring and introduce the new officers. All this takes time. They introduced the new chapter game, the Acorn game, which is geared towards visiting more chapters, I'am all for that. The game requires you to have at least four members attending the visitation. It does not matter if you are in a car or bike, except for the points you will receive. If you make an effort to visit and sit at a table with their members you might be surprised how friendly everyone is. I like to steal ideas and bring them back to our meetings.

At the Conference they put us into three groups, (Southern, Central and Northern), the different regions of the state. We brainstormed on ideas to help the Chapters grow and overcome some problems we all have been experiencing. Such as low participation on rides, declining attendance, etc. Trent and some of the local CD's have already been working on ideas such as inviting other Chapters to planned events, such as our day at the Train park with Glenn. One of the ideas that they are going to start is a master calendar. Where you will post all your Chapters rides and events on. Any chapter is welcome to come and join. Another idea is to post points of interest or rides in your area. This will help other chapters find new places to go to visit. Sounds like it could be lots of fun.

February 4<sup>th</sup> we are visiting Chapter Z in Temecula. February 11<sup>th</sup> is CA-11 rally. Larry Tegel will be giving a First Aide and CPR class on February 18<sup>th</sup>. If you are not sure you are due, ask Glenn Maness or Larry. Be sure to sign up early.

The Couple of the Year, is a Chapter Couple that the Chapter feels should be recognized for all the work they do for the Chapter. At the meeting we will introduce our Couple of the year (COY) for 2017. Join us at the meeting to congratulate them.

Please remember to bring in pictures of [yourself as](#) a kid so we can have a game later in the year. Please don't give us original copies make a copy. Give them to either Lois or I.

## Who Would of Thunk

At the Christmas party we asked members to email me things that they have done that no one would ever of Thunk they would do We all have the common interest of motorcycles...but we also have our other life

I will be posting some of the statements....which old age is great..we all don't remember.what happened just an hour ago.. so who do you think did this...

1. Who was involved in backpacking, scuba diving, was a pilot and personally met the Rolling Stones?
2. Who starred, performed and sang in 10 Musicals?
3. Who was a Top 40's Rock and Roll DJ in the Midwest back in the 60's..using the name Lee Steven Shane.
4. Who attended Oxford University in England?
5. Who was a horse handler and groomer for the 1984 LA Olympics or the Pentathlon event.

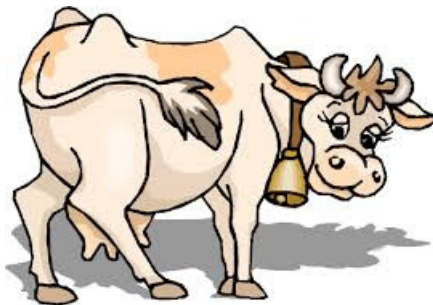

I will give the answers at the February meeting..

Just for fun...could you submit how you met your spouse. email your answers to Lois at [elsie5753@gmail.com](mailto:elsie5753@gmail.com)

If I get enough we could have this for our Valentine meeting.

This is just for fun..to break up the boredom of the meeting.

## District Directors

Nancy & Bob Clark

Hello California,

The year 2017 has gotten off to a great start. The Officer's Conference was better than ever, even with the weather not cooperating. We actually had two of our members ride bikes through that awful weather to attend....what troopers! The new venue was great. The Marriott provided wonderful food and service at reasonable prices. I can't speak for others, but Bob and I had a lot of FUN. The first thing I need to do is apologize to several guests that I failed to recognize when announcing Region and District staff. Region Medic-First Aid - Marti and Joel Winkler, Assistant Region Vendor Coordinator - Jan Pedder, and District Webmaster - Ric Ewing, are vital members of the team that serves our membership. We thank you for all you do for GWRRA. As for the conference, it was exciting to see the CDs interacting in their small groups and am encouraged that this interaction will continue and grow through the year. During our breakout sessions, our district team was able to inform their chapter officers of goals and procedures that will assist them in performing their responsibilities to their chapters and keeping the district informed. In a nutshell (acorns), officers were installed, information disseminated, mini-presentations given, games played, and a wonderful lunch eaten, but the highlight of the conference was the FUN we had preparing for it to serve you. A few days ago, I would have never guessed that I would feel that way.

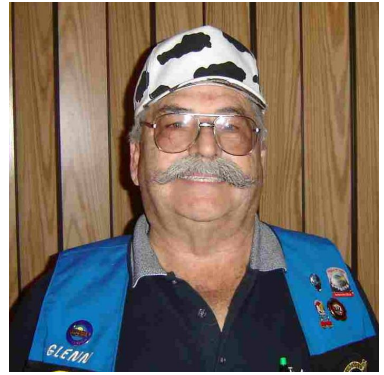

The Monday night before the conference, my computer quit functioning, google changed my password and would not sync my email to the phone and the keyboard to my laptop would not work. Frustration and panic are mild words as to what I was feeling at the time. But when you can't do what you need to do, you do what you like to do, so I started cooking and baking for the after party and prizes and making "bones" for our ice-age cave man costumes (side note- my husband is the greatest!). Thursday afternoon, operations were back up and running (except syncing the email-to-phone) and last minute preparations were completed. We were packed and off by Friday morning. The after party was a huge success...and I mean huge. It was standing room only (about 75 people). We had so much FUN!!! Once home, unpacked, and time to reflect, I realized how much I loved organizing, preparing, and setting up for the activities. We enjoyed running around and being with all of you so much, that all the frustrations were miniscule in comparison. THANK YOU CALIFORNIA FOR ALLOWING US TO SERVE YOU...IT IS OUR JOY!

Now that the conference is over, we have all the wonderful chapter rallies to go to, starting with CA11's Valentine Rally February 11. Please find the flyer on line and register. We want to see you there. Let's have FUN out there and ride safe.

***RIDE DEFENSIVELY...***

Nearly two-thirds of all motorcycle accidents are caused by a driver violating a rider's right-of-way. Usually this is because the motorcyclists was not seen. To avoid this, **YOU MUST RIDE AS IF NO ONE ELSE ON THE ROAD CAN SEE YOU!**

Helpful tips to remember:

- \*Slow down at intersections and ride through carefully.
- \*Watch for turning vehicles.
- \*Stay out of driver's blind spots especially Big Rigs and try not to stay next to them in case they have a tire blow-out.
- \*Signal well in advance of any change in your driving pattern.
- \*Don't assume a driver sees you, even if eye contact is made.
- \*Use your horn when necessary or if you aren't sure a driver can see where you are. When doing so, honk twice, not once. Two beeps is far less annoying than one.

***\*RIDE PROUD... DRESS LOUD***

Be careful when you approach another vehicle. It's hard for drivers in oncoming vehicles to accurately judge how fast your motorcycle is moving. That's why it's up to you to make sure you can react safely if another driver suddenly turns or pulls out in front of you. Also, make sure you have plenty of space between you and the vehicles in front of you.

***Remember***, if you don't look out for yourself on the road,

***...no one else will***

## On the Road Again CA-1 M Tour Director's

John & Tammy

2017! Here we go!!

For those that missed the January monthly meeting, Trent did an outstanding job on the after meeting ride. Lots of back roads that we haven't seen and the place he picked for lunch was excellent.

Now, let's talk about our new chapter directors. Congratulations to Jerry and Lois. Assistant Directors Jim and Suzanne, they did a outstanding job at the first meeting and it went smooth as glass.

In the category of "new". Rich Blackburn stepped up to the plate and did his first breakfast ride on a Saturday. He had an outstanding turn out, he even made a comment that he might start leading, a Saturday morning breakfast ride every month. Looks like I'll be doing a breakfast ride on Sundays and Rich will be doing one on Saturdays, once a month. Sunday morning breakfast ride for February will be on the 26th, going to Rivera's, in Rubidoux. More opportunities to ride our motorcycles !!

February 18th, keep the date open for a first aid class at the Tegel's. 10 AM at the new house. Watch for emails for further information!

February 11th, CA-II Rally in Covina.

March 31st, CAIR Rally in the Valley in Nevada. Keep the dates open. Let's try and get as many of us together to support these chapters.

ABC Award (Above and Beyond Cow), do you know someone who has gone Above and Beyond and deserves recognition ?? Please email me and let me know if you have a person in mind, who has gone above and beyond. We can present them with an award. A shout out to Lois who received this award.

Whatever you do don't forget February 14th (Valentines Day).

What about fun? If you missed our January's planning meeting, you missed some fun! We played a couple games. "GET IN OR GET OUT". There was money that was thrown around (winner was Lois) and there were candy bars passed out. Everyone is welcome to the planning meeting.

See you next month.

Tammy & John

your tour directors, once again here we go!!!!

"Out on I-40, two friends and I hit the asphalt at 70 mph. You never forget something like that. You also never forget those who were there to help- to *genuinely* help. The honest and tireless legal support that Steve Schapiro and Stan Leventhal dedicated to us was powerful. But even stronger was their sincere understanding of this lifestyle- and of it's importance. *That* is what really kept us going. *That* is what truly restored us." *Bill Hayes, Boozefighter's National Publicity Officer, and former client.*
