When I think back on all the rallies and Wing Dings that we have attended. I ponder what I would have missed if we had not joined GWRRA.

As far as Wing Dings, we have traveled to Madison, Wisconsin, Grapevine, Texas , twice, come this summer, Nashville and Knoxville Tennessee , Greenville, South Carolina, twice, Tulsa ,Oklahoma, and Des Moines, Iowa. All the sites we have visited while on the big group trips to Wing Ding. Lois and I are not a tourist couple, but we can say we have been to Canada, Mt. Rushmore, Niagara Falls, Grand Canyon, Zion and Bryce Canyons to name a few. I can say I have seen the Atlantic Ocean and walked on those beaches. All of this because I bought that Gold Wing motorcycle back in 1999.

Then there are all the Chapter, District and Region Rallies. Here is to hoping that there is many more riding ahead, for all of us. It is no fun riding alone, so come out for our dinner, breakfast and weekend rides. So let's get on those bikes and get riding, the more the merrier.

In May we are going to CA1K's Poker Ride, leaving location 1 and heading to Moorpark where we will go on their ride which promises beautiful beaches and a trip down Mulholland Highway. They always put on a great rally plus they have some outstanding Prizes. At the end of the month is our Region Rally in Tucson, Arizona. This year it is being held at a Resort.

Then we are going to CA1Z's Poker Ride which is near Julian which always a nice riding area. The ride will be getting there. Last year they taught us to square dance who knows what they have planned this year. Lets go there and party with friends.

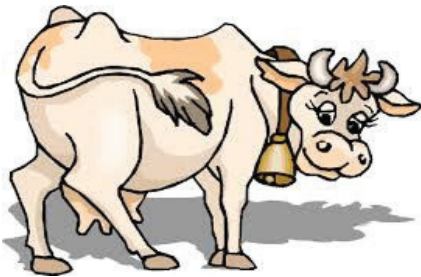

Last month's article, I wrote about Toyota being kidnapped by a herd of Zebra's. They returned Toyota to us at CA1R's Poker Rally in Laughlin, Nevada. If you get a chance read Russ's article in CA1Z's April newsletter . While at the evening events we were reunited with Toyota. I was sitting with Toyota and asked a responsible chapter M member to watch Toyota while I went to get some ice cream. When I returned to the table, Toyota was gone and that member was across the room talking. Of course no one knew where he was. So at our April meeting Toyota was returned to us by the waitress, claiming that some unknown person dropped off a paper bag and said to give it to me. Poor Toyota, how long was he in that suffocating shabby brown bag? To be sure that no one would steal him again this month I gave Jack Synder, our retired Marshall, to guard our traumatized mascot for the meeting.

Our May meeting always falls on Mother's Day. The restaurant asked if we could change our date. We have decided to change the meeting to MAY 7th at the same place and same time.

The activity meeting will remain the same, May 15th.

Nancy & Bob Clark

Hello California.

It doesn't seem possible that April is gone and summer is almost here. I guess that's what happens when you are having FUN. We started the month off with the Rally in the Valley in Laughlin...another great event by CA1R. Bob and I continued on to Phoenix, where we stayed with friends from AZ-R for the 40 to Phoenix event at national headquarters. We traveled on to San Diego to have the dinner gathering with 40 to Phoenix sponsored by CA-1F. It is always FUN to gather with wingers...no matter where they are from; we have a great connection, the joy of riding and sharing our experiences.

April finishes off with two more great events...Mardi gras with CA1A and Rendezvous with Q with CA1Q. The Mardi gras was filled with FUN activities, great rides, fun games, costumes, and Louisiana sandwiches and Kings-cake cupcakes, and topped off with gorgeous weather. The Pie-in-the-Face activity at Rendezvous with Q promises to be a big hit (no pun intended). Come see you're CDs and District & Region Couples of the Year receive their pie. I'm sure, as always, it will be another great day with our fellow wingers.

May promises a lot more FUN. We start with CA1K on May 6th in the south and CA2S Garage Sale May 5th & 6th in the north. Be sure to support our local chapters. Besides the opportunity to have fun with each other, we help our fellow chapters in meeting their needs throughout the year. May 20th offers the Spokes in the Oaks with CA1Z in beautiful Julian, CA. Enjoy the ride to the mountain destination and continue the FUN with dancing, music, games, and of course food. Then enjoy your beautiful ride home. Who could ask for a more perfect day.

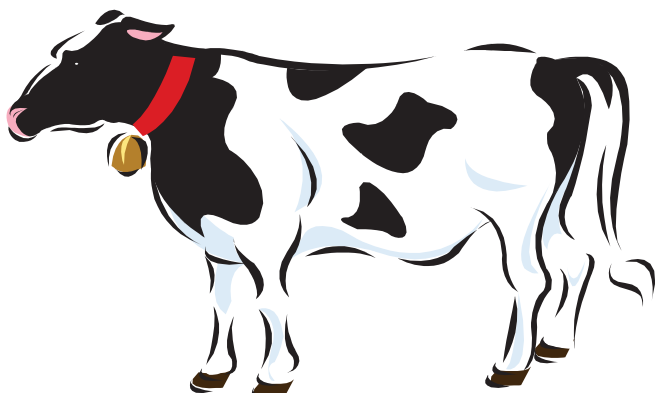

Bear once rested from all that FUN, head out to Tucson, AZ for the Region F Rally, May 26-28. Besides all the FUN and the fantastic venue, this is your opportunity to get training and classes, enjoy friends you don't get to see often, and share in the joy when awards are received. Drill teams from CA and AZ will be performing for your enjoyment. If you haven't registered yet, get on it. Let's support our Region "Fun."

Many are making plans for Wing Ding, August 29-September 2 in Grapevine, TX. Hope to see many of you there. Once home, make sure your plans include CA District Rally at Mammoth Mountain September 22nd-24th. It promises to be a great time with wonderful riding opportunities. Couple of the Year/ Individual of the Year selection will be Friday afternoon. Be sure to support those wonderful people that are so special to GWRRA and their chapters. Classes and training will be available, as well as drill team exhibitions, and FUN, FUN, FUN. Be sure to get your registrations in soon before the registration price increases. You don't want to miss out on this opportunity to have FUN with Gold Wings and support your district at the same time. Condos are available at the same greatly reduced rate for the week before and the week after, so make a vacation out of this event and enjoy our beautiful mountains.

It is always a joy to hear of all the activity between chapters in California. Northern chapters seem to be having a great time visiting and riding together as are several of the southern chapters. That's what it is all about...enjoying each other and enjoying the ride...when you have them both it can't get much better...unless you add ice cream...then it's hard to beat.

Hugs,

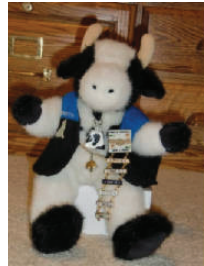

Nancy & Bob Clark

As the Wheel Turns

Since last month Suzanne and I have been on the go. We spent 2 weeks camping in Death Valley with perfect weather and warm swimming pool - a beautiful start to Spring 2017. Before returning home we met with other CA1-M members for a camping weekend at gorgeous Jurupa Regional Park, highlighted by a pot luck dinner on Saturday afternoon. Those who chose not to camp came just for the potluck and you know, food just naturally brings out the jokes and story-telling so fun was had by all. And Alek brought his "Flame Genie" fire pot that burns wood pellets and made a fire for us all. And we loved it.

We've been encouraging our members to join in getting to as many other chapter gatherings as we can, as well as their rallies. We always enjoy guests at our monthly gatherings as well as our annual Milk Run so let's get out there when we can. Rally in the Valley was the event put on by CA1-R at Harrah's Hotel in Laughlin, Nevada. We met up there with Trent and Denise Reid, Fred and Cherie Rau, Jerry Cowan and the members of the California Gold Angels.

Speaking of Gold Angels, there was only one cracked mirror in the course of making changes in the routine to compensate for the slope in the fields. The whole routine went off perfectly and was enjoyed by all.

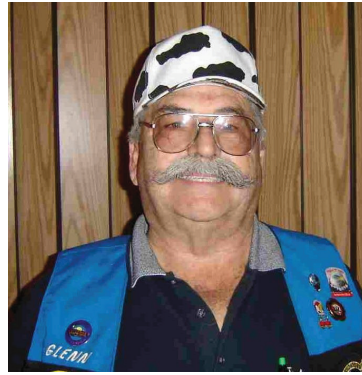

Chapter R did their best to see that everyone had a chance to see the area on their bikes with guided and self-led rides. Oatman to Kingman Loop was the one we chose as did many others. Who could resist the unique shops in Oatman? Alas, no burro sightings this time.

One more place we visited in Laughlin was Don Laughlin's car museum. There were so many neat things like some of the first slot machines created from old cash registers, die cast car collections, memorabilia of all sorts. The cars were so beautiful and displayed with pictures, ads and all kinds of artifacts. We even got to meet the curator of the museum, Harold "Bud" Blumeier and he shared some stories with us. What a talented artist.

We find no matter where you go, sometimes no matter how often, there's something new to be discovered and enjoyed. How about going with us next time?

WARM WEATHER WORRIES

Motorcycle riding is an activity that takes all of us outdoors. For many of us, the riding season is comprised of summer with some spring and fall periods. . For all of us, we are likely to be riding in hot weather least some part of the year. . Since too much heat can cause severe medical emergencies, it is important to know For many of us, the riding season is comprised of how to avoid becoming a victim of the heat. So how do we avoid heat stress, or more severe conditions like hyperthermia, to remain safe? Let’s review some warm weather riding tips.

First, make sure you have gear appropriate for the weather.). If you have it, a mesh jacket provides unparalleled ventilation and abrasion resistance. . Protection is important, but keep in mind that when you are comfortable, you are able to focus on the act of riding, denim is a common choice for long pants, but you might want to think about purchasing motorcycle-specific riding pants for extra protection. Gloves are the other area where the ambient temperature is usually factored into the decision of what to wear. Consider carrying a water absorbing collar that you can soak in water and wear around your neck to help keep you cool. Or Second, plan to maintain your hydration level.

Every time you stop for gas or a rest break in hot weather, take time to drink enough fluids to replace what you lose through perspiration. This should be at least eight ounces per hour during the heat of the day be prepared to soak and wear Second, plan to maintain your hydration level. Every time you stop for gas or a rest break in hot weather, take time to drink enough fluids to replace what you lose through perspiration. This should be at least eight ounces per hour during the heat of the day. A simple way to determine if you are getting enough fluids is to monitor your output at rest stops. In short, if you are drinking frequently but don't have to go at each rest stop, then you probably are not drinking enough. Modify this as necessary for your own situation. Carry a bottle of water to drink from whenever you need it. Be sure to refill it at rest stops Third, remain aware of your own physical condition. Exposure to too much heat for too long can result in hyperthermia early warning symptoms include confusion, headache, dizziness, redness of the skin, often most noticeable on the face. If you notice any of these symptoms in yourself or those riding with you, find the nearest place to sit down, drink lots of water, and relax in the shade or an air conditioned space With the right gear and travel plans that include frequent breaks with plenty of water, you can enjoy riding safely even in the hottest weather.

On the Road Again CA-1 M Tour Director's

John & Tammy

The game "GET IN OR GET OUT" did you play? It's simple. You'll be handed an envelope, you put a dollar in the envelope. Write your name on the outside and put the envelope in the jar. During the meeting one of at a time the envelopes will be taken out of the jar. The last envelope in the jar wins the money, good luck. **Chapter meeting in May will be on May 7**, due to Mother's Day on the 14th. And will start at 8 AM. Our first CA1M rally meeting will be at the Tegel's house on the 13th of May.

CA-1Z RALLY ON THE 20TH of May. REGION F RALLY ON THE 26th of May.

A WEDNESDAY dinner RIDE EVERY WEDNESDAY NITE.

MY BREAKFAST RIDE ON THE 21ST... Lots of opportunities to ride those motorcycles, get off the couch!!!!

Let's talk about the fourth annual Laughlin ride. The boys and I left at 8 o'clock the weather was fantastic we took all back roads to Laughlin. We stopped in 29 Palms for fuel and then headed up to Amboy. We stopped at Roy's Motel Café on Route 66, they were filming a movie and they asked us to be in the movie. Look for an orange bike a red one and a burgundy trike. We continued on to Oatman, we bought a couple of T-shirts and then headed on to Laughlin. At the Laughlin River Lodge, we won so much money the hotel Manager set us up for massages and paid for dinner at Bubba Gump's. Day 2 we took a ride over to the Grand Canyon Caverns on Route 66. Day three we headed home what a great trip. Reader discretion advised some of this story may not be true.

A big thank you to our ride leaders, they help make my job easy.

The first two people that whisper in my ear this phrase I'll give you five bucks

"Each and every one of you makes this chapter shine"

How about the ABC cow award, do you know someone who is gone above and beyond and deserves recognition? Let me know so we can get an award presented to them at our next meeting.
