Jerry & Lois Cowan
CA-1M Chapter Directors

Last month at our monthly, we had a total of 21 members show up, including Cathy Siglow. This was nice to see her, since we have not seen her at a meeting for over a year. Eight riders went on the ride afterwards that went on highway 2 and turned around at Newcomb's ranch. On the way back we stopped in Wrightwood to have ice cream, quite a treat.

Weather has been quite warm this month be sure to drink plenty of water if your out in the heat.

In case you have not heard chapter Z out of Temecula is gone. Their CD's Gil and Rebecca had to move out of state due to Gill's work and there was nobody willing to take the chapter over. Things change not always the way we want, such as during this Pandemic who would have ever thought that we would be allowed to enter a bank wearing a mask. Change means adapting to current needs. Therefore, during this Pandemic our monthly Chapter meetings start with breakfast at 7:30 AM, meeting at 8:00 (no door prizes) and ride at 8:30. After the restaurants and limits open up, I am considering keeping this same schedule. If you have an opinion on why I should not keep this schedule, please let me know.

Chapter 2R is still having their Rally in Redding Calif. Also, the District is still having their rides. To find out more information you can find it in our newsletter, groupworks and or District website.

Hello Everyone

We had a short meeting on

August 9th at the Pepper Steak.

We had 19 members 3 Guests and 12
 bikes.

The area is big enough that we really didn't need to worry about Social distancing since we could all sit at different tables. We had many tables empty, so room for more members.

Lois gave all the Birthday and Anniversary people from the Months of June, July and August a hostess cupcake to celebrate. Lois also passed out beautiful hand made masks to those who wanted them. Thank you so much Lois.

We did not have any raffles. We did give out the Chapter Pride and Guest awards. The Guests were Michael, Mike and Dennis.

Michael won the Guest award and Patrick won the Membership prize.

Jerry talked about riding with the HYR riders and going on a great ride with 63 bikes.

Jerry brought up the topic of group riding and staying in your part of the lane when turning and grouping up to two bikes at a time at stop signs.

After the meeting a group of bikes went through Wrightwood onto Hwy 2 and turned around at Newcomes ranch (they are closed). If the Ice Cream shop in Wrightwood is open we will stop on the way back . Cool ride for a hot day.

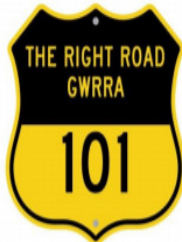

See you next month.

People Have Been Talking...

and this is what they have been saying about the University classes and seminars:

1. The virtual classes have been extremely helpful. We have only been a Chapter Director for a few months and members of GWRRA for three years. We appreciate all the education that you are providing us and hope to take many more courses.
2. Norm did a great job talking about the Rider, Co-Rider, the Bike, and the Road. In addition, Norm joined "common sense" ideas with technology. Lastly, Norm allowed everybody who wanted to participate to speak and join in on the discussion. Great job. (Riding in the Heat)
3. Useful tips on how to keep cool on a ride in the heat. (Riding in the Heat)
4. I learned a couple of new things like hitting the kill switch and placing a helmet behind the bike to signal trouble. Not to mention how to use Zoom ...ha. (Co-Rider)
5. Instructions regarding co-rider's responsibilities in how to control and shut down the motor bike such as: via hitting "kill" switch and "steering" bike out of further danger. (Co-Rider)
6. Willing to answer all questions. (Levels and My RE)
7. Having information provided by a person who has a lot of experience in the matter they are instructing is always great. Knowledge is power. (Riding in the Dark)

These comments and many more have been submitted by participants of the online classes. These classes, as well as the in-person classes, are well worth the hour to hour-and-a-half they require. The University and its Instructors and Trainers hope that this will help to renew your interest in training.

Encourage your Members to check out the class list online at GWRRAdot.com where they can view the complete catalog and register for online classes, too. Contact your District Director or District University Coordinator to schedule classes in your area. Although online classes will continue, we look forward to offering these and other classes to you in person.
