Herd

We had 15 people show up for our August meeting, six bikes went on the ride afterwards. Russ was supposed to lead it but was having trouble with the CB. Trent was going to tail gun but stepped up and led us on a great mountain ride. We stopped in Wrightwood for ice cream. Some split from there while others went back to the San Bernardino Mountains to continue riding.

Glenn thought we should bring back our Wednesday dinner rides, in which he volunteered to lead a ride to Anchoes in Riverside. Sue Blackburn, Eileen Bayardo, Gary & Shirley, Jerry & Lois, Glenn & Eldonna, Patrick, Russ and Eric were all there. Food and ride was great, thanks Glenn. We will continue to have at least one dinner ride per month. You do not need to ride a bike to attend, you can just meet us there. It was good to see old friends.

As most of you know, I bought a new 2021 Goldwing with the DCT. Since it is blue tooth, I bought a Sena for the head set communications. On 8/26 Russ, Norm and I took off to go to the New Mexico / Colorado District Rally in Santa Fe New Mexico. When we first took off, I could just barely hear Russ and he could not hear me at all. I think once for an hour that day we both could communicate to each other. It was not until the trip back that we finally figured out what we were doing wrong. We should have taken the grandkids so they could of told us earlier on what we were doing wrong. Lol. We had a great time on the back roads. We were on the road for seven days. They did a great job on the Rally.

CA2R in Redding Calif is having their Rally at the end of Sept. Russ and I are planning on going. If you are interested, let us know. Arizona District is having their Rally in Show Low Arizona at the end of Sept also.

Be sure not to push yourself on these trips. Mike Rand from CA1V was heading to the New Mexico Rally, when he wrecked his bike in Albuquerque. He does not know if he fell asleep or passed out. Totaled the bike but only got road rash on his chin and nose (rides with the modular flipped up) and on his knees. He was lucky. He called Russ, we picked him up and took him to the Motel Airport to fly home.

Carlos Vazquez

Yesterday Route 66 was conquered in 3 days. I Started in Shipperville Pennsylvania and said Why not? I have a motorcycle built to do miles upon miles. Yet, never had an issue with my bike. My last stretch was from Oklahoma city, to Southern California. 1309 miles (2855 klm) with over 17 hours of riding just stopping for gas. It was a personal challenge. California welcomed me with 122 heat. Thank you to all for your support. A total of 8679 miles. Thank you all who supported me.

CA-1M Chapter Ride Coordinator

Santa Fe Rally / Colorado & New Mexico District Event / August 27-28-29

Three CA-1M members (Jerry, Norm, Russ) enjoyed the 800+ mile ride to attend this great event / we were just **3 of the 178 GWRRA members** attending. The local mountain rides were wonderful around Santa Fe, but we also enjoyed many special roads on the way to / from the event putting on **over 2,200 miles of FUN.**

Jerry will outline some of the fun we experienced together, and how he dedicated his Saturday to reviewing the Road Captain training course. Norm & I had a FUN day in the Santa Fe mountains enjoying the roads and dodging the storms. The key attraction was visiting the **Vietnam Veterans Memorial State Park** just outside of Angel Fire in NM – a beautiful place dedicated by The David Westphall Veterans Foundation / the memorial even more significant after the recent events in Afghanistan.

You can only create memories by participating.
