As your Chapter Director these past five years, this will be my last (hopefully) article as your Chapter Director. A special thanks to my staff that has been a great help to me along the way. Many of you have agreed to stay on for next year which is greatly appreciated. Linda Flechtner will be stepping down as newsletter editor. She has won several newsletter awards for CA1M over the years. She will be missed. Gary Blackburn will also step down as treasurer in which he has held that position for 15 years. Again, another person that will be highly missed. I will announce replacements at our Christmas Party on December 4th plus at our Chapter meeting on December 12th.

Thanks to Ron for leading the after the meeting ride last month. He led us on several new roads that none of us have been on. It was really busy when we got to the French Valley Airport Café around noon, which we had to wait about 30 minutes. It was worth the wait. Russ will still be taking care of his wife by the next meeting, is there anyone willing to lead the next ride, please let me know if you can.

Check and Track Your GWRRA Rider Education Levels

Recently, GWRRA National has made it possible for all of us to be able to track our Rider Education Levels status, riding courses and seminar information. This site allows you to only see your information but does not allow you to change or add to it.

To access your information, go to the GWRRA National website (GWRRA.org), and then click on either Officers or Programs from the blue menu bar to see a drop down menu. Then click on Rider Education. On the left side of the Rider Education main page you will see a button for "My R.E. Information". Click on that button to access the log in page.

To log in use your membership number as the user name and the numbers of your home address plus your membership expiration date (MMYY) as your password. After clicking on submit, you should be able to access the information for anyone on your membership number by clicking on "View" for each person.

Please contact us if you have questions or problems accessing your information. If there are any corrections that need to be made, please notify us via e-mail and we will forward the information on to our District Educator for correction.
