Newsletter Policy

Chapter CA1M's newsletter is distributed free of charge to GWRRA members or GWRRA boosters who participate in the Chapter activities. The newsletter is also distributed free to all advertisers and certain motorcycle related businesses or interests. After four months of non-participation as determined by the Membership Chairman, Newsletter Editor or the Chapter Director you may be removed from the mailing list. You will remain off the mailing list until you participate again or you make other arrangements with the Newsletter Editor or Chapter Director.

Remember, the newsletter is what we make it. Please submit articles that you think will be interesting or informative to other chapter members. The articles may be about your favorite ride, bike accessory, or just a funny story relating to motorcycling.

All articles submitted may be edited at the discretion of the Newsletter Editor, depending on the space available. Controversial subject matter may not be submitted. The Newsletter Editor is human and may from time to time make mistakes. This is not cause for ridicule. We are all volunteers and do our very best.

Please submit your article by email to the Newsletter Editor by the **22nd of the month** to be in the next month's newsletter. Material in the newsletter may be reprinted without permission.

CA-1M Chapter Directors

Herd,

Well, I was hoping December would be my last newsletter article. Hope you all enjoyed your Christmas and New Year's. Our Christmas Party we had 31 people show up. Pepper Steak I guess is not used to having big dinner parties. People who ordered Steak were fed first and the ones who ordered fried chicken were fed last, but the chicken was hot and tasty. Overall, we got to see people we have not seen in a while and had a good time.

Our Chapter meeting was a little unusual. I arrived at 7:05 and our waitress Brenda was outside and could not get in. I think we finally got in about 7:45. We had a quick meeting and the 3 of us going on the ride, left while the others stayed for breakfast. Roger led the ride while Patrick and I followed. Roger thanks for leading a great ride.

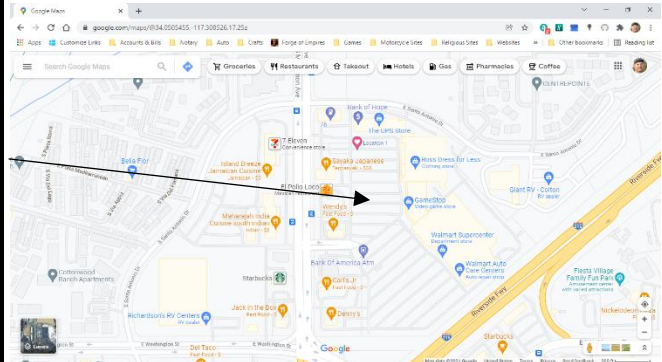

January 29th will be our District Officer conference where we will get more information on other Chapters Rallies and activities in which we will share with you at the February meeting. See you January 9th for our next meeting.

Come Join Us For The Ride.

Trent Reid

Hello Chapter M,

For those who have been under the weather and staying safe during the last two years, Welcome back to 2022.

I have been asked to become your Chapter Director yet once again and am looking forward to helping Chapter M become the most active chapter once again in the district.

I wish to thank Jerry and Lois Cowan and their staff for all they have done with the chapter and look forward to working with all those who have stepped up to assist the chapter move forward into the future.

Coming this month will be our chapter meeting, and district meeting afterwards. I look forward to increasing our ride schedule during the months ahead. So, time to get those bikes and riding gear tuned up, checking tires, oils, fluids. Check your gear out and be ready for all types of weather from cold in the mornings to warmer in the afternoon.

We will be having more rides both scheduled, and unscheduled, yet always interesting. Just a note this is one of my goals this year, helping Russ, develop rides and ride leaders, as well as new destinations. If you are interested in learning to be a ride leader and or tail gunner, the knowledge is out there, available, and ready to assist you in becoming one of our well know ride leaders. Just let us know, our chapter has always been known for our leadership in group riding. Learn from the best.

Trent

Time to Rock and Roll

Sherry and I would like to begin with wishing everyone a Happy New Year! January is the time for new resolutions and thinking about our plans for the upcoming year. Chapter calendars are starting to fill up with activities and Districts are already planning their District events. Each of us has ideas as to what we would like to accomplish this year, especially if we are a GWRRR Officer in a leadership position. Operational Directors and Program Directors/Coordinators are setting goals as we think about all the possibilities that lie ahead. We may be thinking about things that we would like to try differently or perhaps some out-of-box ideas.

As your Directors of GWRRR, we are also thinking about our direction as an association and what we can do to keep the excitement and fun in the forefront. Communication is always a key and our Districts and Chapters do an outstanding job of providing fun information to membership. Social media, such as Facebook, provide us with an ideal way to communicate a spur-of-the-moment ride. GroupWorks and newsletters keep us informed in a timely manner of upcoming events as well as past good times. There is no doubt that if you participate, you will be making wonderful memories and many new friends. Our Chapters are the conduit that keeps that fun alive and our Chapter Directors are those special leaders who guide us.

After serving for many years, our Officers look forward to taking a break and turning the reins over to the next Officer. As many of us already know, there may not be a next Officer willing to step up and unfortunately, that is the beginning of a Chapter looking at closing. Sherry and I cannot think of a bigger disappointment than the closing of a Chapter. As an association, we need to do whatever is possible to keep our Chapters active and riding, because after all, we are a motorcycle association. This is an area where we need your help. Recruitment and retention are necessary for an active Chapter to remain healthy and vibrant.

One of our goals for 2022 is to see Motorist Awareness and Membership Enhancement working together to create more recruitment opportunities. This does not mean that an entire Chapter has to spend a considerable amount of time recruiting. That said, imagine if six Chapter participants set up a Motorist Awareness display in a high traffic area giving us an opportunity to also make contact with a motorcyclist who may not be riding at the time. This way, you could split up the time between your Chapter participants and no one becomes overwhelmed. This would allow us several opportunities to recruit. Now imagine all of our Chapters doing this several times a year. We are keeping the public informed on watching our for motorcycles and improving our opportunity to bring in new friends who may just be that future Officer. We are excited about 2022 and are looking forward to a "Rock and Roll Year."

Ride safe, be well and remember, *fun shall be the last word*—so HAVE FUN!

Jere and Sherry Goodman

Russ Johnson
Chapter Ride Coordinator

With great expectations we move into **2022 / it has to be better than 2020 & 2021!**

The Good / the Bad / and the Ugly of the past year for me personally:

The good: great friendship and wonderful riding – great **FUN** at rallies & nice lunches on **spectacular rides** / the weather was typically outstanding during the drought, and we took advantage of that! Typically, the chapter had at least 2 rides per month, with additional shared rides with other chapters & retired riders of various chapters. 1M Chapter members stepped up to share & lead their favorite rides with the members – Thank You! I traded up from my 2012 Wing to the **DCT Tour!** A **spark** of new **enthusiasm** for riding!

The bad: Constant changing pandemic issues with ongoing fear & frustration. The continuing “**aging**” of our members & friends resulting in fewer physical opportunities for riding for some members; the lack of enthusiasm for motorcycle riding by the upcoming generations resulting in **fewer new members**. The past in GWRRA looked like more **FUN** than the future – we need to change that.

The Ugly: 10 days prior to my wife’s scheduled knee replacement, Georgina fell and broke her pelvis on Halloween Eve, plus cracked her right hip socket and fractured the right sacral ala / meaning 2-3 months of no weight on her right leg: 5 days in the hospital for blood clots in the lungs, and 20 days in skilled rehab to gain the ability to get out of bed into a wheelchair on her own, prior to returning home. This is the month she should regain the ability to walk again! I gain the freedom to ride again, at least until her rescheduled knee replacement in March (she gets priority!).

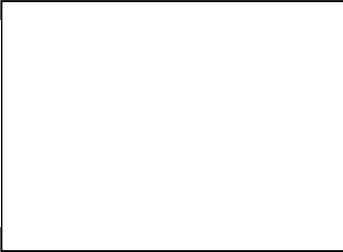

2022: Time to focus on what makes this organization great: **Friends / Fun / Safety / Knowledge**

History is there to learn from – let’s move forward with great friends and enjoy the rides & social activities in GWRRA! It takes all members to contribute to activities to **create the FUN** – what is your favorite after meeting ride (AMR) / be ready to share at an upcoming meeting. If you like dinner or breakfast rides, lets discuss options at the gathering. Looking forward to seeing you at all the chapter functions.

Please contact Patrick at:

before the meeting to request he bring items to the chapter gathering you might be interested in looking at or purchasing
