CA1-M Chapter
Directors

I can't believe it's August already. In July we visited Chapter I, in which we found out that they are not having a Rally next year. I have been to all their Rally's since 1999.

From there we went to the So Cal Honda Dealership in Carson that was having free lunch and Demo's to ride the new 2018, both manual and the DCT.

I drove the DCT in which I thought was great. Now all I have to do is win the lotto so I could get one.

Eight of us went to Chapter S's Rally in Ventura. Weather was nice, they put on a great Rally, plus the Drill Team got to perform there for the first time. The ride back was busy and warm, but the Rally was worth it.

Come join us in August for the pie rides and John's breakfast ride.

Come join us for the ride.

The Valley fire erupted along Bryant St. and Highway 38 in Yucaipa cutting off access to residents of Forest Falls.

Our own Trent Reid made The papers when he was stopped from going home to Denise. He was quoted as saying "I want to go home!".

Fortunately the fire stayed away from Forest Falls and Trent and his neighbors are safe.

Needless to say he missed the meeting on Sunday to stay home with Denise incase the fire changed direction.

Highland Cycles was acquired in 1997 by Paul McMichael Sr. and his wife Cheryl. What began as a hobby based on a love for motorcycles became a family business. Since 1997, Highland Cycles has evolved and become the business it is today all while being built on the cornerstones of Faith, Family, Friendship and Integrity.

On January 2, 2018, Highland Cycles opened just we have any other day for the past 20+ years (bright and early with a full pot of coffee brewing for our customers), however, with a couple changes. The torch has been passed to Paul McMichael II (Paul Jr., who has managed the store for over 6 years) and his wife, Wendy. You will also recognize our top notch Mechanic, Jay, who is truly a part of the fabric of the shop. Highland Cycles has built longstanding, respected relationships with Vendors and Customers alike.

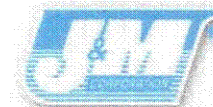

We look forward to continuing those relationships into the future through the same cornerstones our shop was built on, Faith, Family, Friendship and Integrity.

While our focus may be on Honda Goldwings and Trikes, we welcome riders of all marques (Street and Off Road). Come in for a cup of coffee, see our expansive inventory, chat with fellow riders and experience the difference.

Chapter CA1-M
 Meeting Minutes
 by Linda Flechtner
 July 8th, 2018

Jerry's Chapter Director's comments

Our ride to Big Bear was cancelled due to the On going fires and extremely hot weather.

Jerry and Norm talked about our after meeting Ride to the Orange Train Museum. We brought our own food and sat in a shaded picnic area surrounded by antique railroad engines, train cars, and the train barns. Jerry, Roger and others played games and entertained the whole group of several Chapters.

Trent told us about Ron's surprise Birthday party at the club house. Ron was totally "blown away" so mission accomplished. Ron thanked everyone for attending and reminded Dianne that if he takes her to Alaska he can get a new Bike.

Julie and Mike told us about their trip to CA-2N by announcing "The Cows are Here!" They kept Mooing while the Chapter played games. They also brought back home two new horses Spanky and Dusty.

Chapter Charity Lois: Larry delivered \$200. worth of bowls and plates to Ronald McDonald house in our name.

Motorcycle awareness: Barri talked about her guest speaker, a Motor officer from Oregon and asked for questions we might ask him about driving situations and how to stay safe. We must find an Motor Officer to speak at our meeting, it's a really good idea to ask a professional about safety on our freeways.

Ride Coordinators: Tammy announced all the upcoming rides while balloons Were being passed around. Again no injuries reported.

In the future we will wait until Tammy or John has finished speaking before Playing the passing the gas game and Patrick will announce the ending of the game with a "special sound". We are always open to new ways to have fun!

Chapter Guest Prize was won by: Dorie

Chapter Pride was won by: Glenn, his first time!!!!

Get in or get out winner was Richard.

Pass the gas balloon winners were:

gas cards were won by: Sandy & Shirley

raffle tickets were won by: Norm and Fred

50/50 was won by: Dianne & Steve

Raffle prizes were won by: Linda, Steve, Larry, Ron, Barb, Jerry, Cheryl, Jack, Lou, & Norm

Our Chapter had:

1 Guest 39 members 6 Bikes and no Trikes

The after meeting ride was cancelled, but Jerry went anyway!

Thank God when he got home in the heat he had a pool to cool off in.

2018 CA-Dist Quarterly Newsletter

Hello California,

Summer is upon us offering great opportunities to get out there and ride. It is exciting to hear of all the great rides many of the chapters are going on. We want to make sure everyone is aware of these rides, so please post your rides on the CA-District website.... gwrra-ca.org. Any ride you have scheduled, please submit it to the webmaster, Mike Burke, with at least a week's notice. We realize that some rides are impromptu, but we want to invite anyone to join our rides that want to share in our fun together as we ride safe. With warmer weather, it offers the opportunity for night rides, rides to the mountains or beaches, or just to our favorite ice cream store. No matter where we ride, it is another chance to have fun.

This is my chance to invite those of you that do not participate with a local chapter of GWRRA to check out the district website and look for a ride that you might like. We would love to meet you and share our joy of riding. It also gives the opportunity to check out the variety of vehicles that our members ride, 2 or 3 or 4 wheel vehicles of several makes and models.

Chapter rallies are another opportunity to have fun with us. We had great fun at Zermatt, "Hoot in the Ute" in May and enjoyed being with CA-2N in Sonora in May. There are several coming up this summer...CA-1S in Ventura and CA-C in Sacramento are happening July 21st. Please find the flyers on the website. August is open to travel to our international rally "Wing Ding" in Knoxville, TN, August 28-Sept.1, celebrating 40th year of Wing Ding . We are taking an extended travel for 7 weeks to see friends and family to and from Wing Ding.

Bob and I are personally looking forward to starting our trip attending a multi-chapter weekend ride event August 3-4 out of Redding, CA...a day riding Mount Shasta and a second day riding Lassen Nat'l Park...with partying in between. I'm also sure there is ice cream in there somewhere. Summer is a time for riding and enjoying time with our friends. As we do this, please let's be safe in our riding and also our health. Be aware of temperature changes and be prepared for the heat, staying hydrated and covered to avoid heat exhaustion. We want everyone to enjoy their time out riding.

Remember...RIDE SAFE & RIDE SMART !

Getting to Know
Two of the Herd
Steve & Sandy Damico

Steve first started riding when he was 15 years old.

Steve's first bike was a 1972 Honda CB175, then a 350 Yamaha, a 650 Yamaha, a 750 Kawasaki and finally a 2003 1800 Gold Wing. Steve's first long bike ride was with his son John riding behind him, and they went to Wing Ding in 2005.

Steve's first Gold Wing was 2003 1800.

Steve joined Chapter M in 2003 and has been riding with us ever since.

Steve has been riding for 20 years and has ridden about 178,000 miles.

Steve and Sandy's first priority is their family and working on their vacation home in the mountains. They do consider Chapter M as part of their family.

Steve is a Vice President of a Manufacturing Company and Sandy has worked for years at a school for mentally challenged children.

Steve grew up in Arcadia and Sandy in El Monte.

Steve and Sandy have 3 sons and 6 grandchildren. His son John got his first bike at 18 and occasionally rides with us.

Steve and Sandy met on a blind date and were married a year later.

Sandy replaced John behind Steve on the Gold Wing. (Good Choice)

Steve is currently our Web Master, and has formerly been Chapter M's Director, Assistant Director, Newsletter Editor, Rider Educator, and Assistant Rider Educator.

Thank you Steve and Sandy for all your hard work for Chapter CA1-M through the years.

Thank you both for taking the time to share with the Chapter.

Gold Angels Motorcycle Drill Team

Aliens Live

Among Us!!

Mike Douglas is the newest member of the Gold Angels drill team. Though he doesn't perform on a Gold Wing or ride between them, he is an integral part of the team. Mike, call sign "ALF" (short for Alien Life Form) created a position on the team where none had previously existed. ALF is the official photographer/videographer of the team. He attends every practice and performance capturing the event on both video and still photos. After processing the videos and photographs, ALF distributes them to each of the team members for review. It's very difficult to make corrections or improvements to the routine, if you can't see it from the outside. During the review of the videos we can see how the maneuvers were ridden and where corrections are needed or enhancements may be added to improve the spectator's (yes, that's you!) experience.

Mike originally hails from New York, "STATE", not the city where you walk the dawg. Mike spent 26 years, 1 month and 10 days in the Air Force, but who's counting? His riding career began back in 1986 on a 1985 Honda GL1200 Gold Wing Limited Edition. . When asked what his favorite ride would be, he replies “My 2002 trip to Alaska and back”. Riding thru Europe on his Spyder occupies the top slot of his “Bucket List”. In 2015 he was asked by Roger “Rabbit” Taylor to record the team’s performance at the California District Rally in Bakersfield. That’s all it took... He was hooked!! Being a photographer and videographer, he knew the benefits of recording he events for later review and so began his career as our photographer/videographer. When asked why he does it, he’ll say because it will only make us better as a team.

Coming up with a call sign was a “No Brainer”. Just take a look at his motorcycle license plate (ALFZCAM), HAM radio call sign (KA6ALF) or his email address (Alfdude@...). Then there’s the stuffed “ALF” that rides on the back of his Spyder (and he has 14 more as backups). He brags about being a self-professing “Alf – a – holic”. Mike is such an important part of the team that we worked him (and ALF) into the opening portion of the performances. Keep a watchful eye out for him as he leads the team onto the field while proudly displaying the flags. Give him a shout out as he passes by.

The Gold Angels is a “Not for Profit” organization. Each team member is a volunteer and responsible for the costs associated with his or her motorcycle. These costs also include all travel expenses incurred during a performance and all practices. These riders do it because they truly enjoy it. For more information on the team visit them at www.goldangels.com or find them on Facebook. If you are interested in becoming a sponsor or making a donation, feel free to talk to a team member or email them at:
