Come Join Us For The Ride!

Jerry and Lois Cowan
CA1-M Directors

Five of us went to the Officers Conference in Bakersfield on Jan 19th. Nancy & Bob have stepped down from the District Directors position and Ralph & Robynn French have taken over. Some of the things that are done at the conference is to swear in the new Officers for 2019 and give the Officers that are leaving, their Formers Patch. Officers for Motor Awareness, Member Enhancement Coordinator, Ride Coordinator, Treasurer and COY/IOY discussed what they plan for this year. All CD's got up and talked about their Rally's for this year. They went over who won the visiting game (usually done at District) and they plan on putting the new game out soon. Newsletter winners were announced in which Chapter M came in 2nd place. Good job Linda. Meeting was informative.

One of the things suggested at the Conference is to plan on more destination rides (other than to eat) so that all the members could participate even if they don't ride anymore. If you have suggestions let an officer know or come to our activity meetings held on the first Monday after our gathering (monthly meeting).

Feb 2nd will be our first visit of a Chapter to promote our Rally that is being held on Oct 5th. Please come join us to visit Chapter V in Victorville. The planning meeting for the Multi State Rally was on Feb 3rd has been moved to Feb 17th at 1:00 P.M. at the Tegels house. If you plan going to this Rally and want to go as a group, plan on attending this meeting so we can get your input.

As usual check John's article for all the visitations, dinner & breakfast rides.

While all of this was happening in Ohio, a small business owner, Jeff Miller in North Carolina took it to the next level utilizing commercial aircraft. Jeff named his program "Honor Air" and by the time 2006 drew to a close had transported over 300 WWII Veterans. Honor Flight and Honor Air were merged into a single entity that is now called The Honor Flight Network. As 2017 drew to a close, The Honor Flight Network has been able to send over 200,000 Veterans to visit their memorials.

And don't forget that this is all done at absolutely no cost to the Veteran! Each Veteran is assigned a "Guardian" who is there to ensure that all the needs of the Vets are taken care of. Activities such as pushing a wheelchair, carrying luggage and being a friend are just a few of the duties of the guardian. I recently had the privilege of being my dad's guardian during the October mission out of the Central Coast California hub. I was not sure of what to expect, but I went with an open mind.

The process started with an orientation/training luncheon. Introductions were made and the necessary training was conducted. Our mission would encompass three days and two nights. Accommodations were five-star, food was great and the sites were well choreographed. You could definitely tell that the volunteers did this because they enjoyed it and believed in what Honor Flight stands for.

The bottom line is if you are a Veteran, signup. It is easy to do. Visit the Honor Flight website: www.honorflight.org or call them at (937) 521-2400 to find the hub nearest you and complete a "Veteran Application".

Once submitted, all applicants are sorted, reviewed and put in to the que by priority (age, health conditions, etc.). If you are willing to be a guardian, complete the "Guardian Application". A quick note, the guardian is responsible for all costs associated with the mission to include travel and lodging, but take it from me, it is well worth it!!

Another important aspect of the Honor Flight Network is the contributor and sponsor. All these missions are paid for by funds collected from local and national businesses, corporations and individuals like you and me. Honor Flight is a federal, nonprofit, 501 (c) 3 organization meaning the donations are tax deductible. To find the hub near you, visit: <https://www.honorflight.org/regional-honor-flight-hubs/>.

Only through your donations and support of these local hubs, can the mission be carried out!

The Honor Flight Network's mission statement sums it all up:

To transport America's Veterans to Washington, DC to visit those memorials dedicated to honor the service and sacrifices of themselves and their friends.

**Michael R. Douglas
MSgt, USAF (Ret)**

Tour of Honor

What is "Honor"? Meriam Webster identifies it both as a noun and a verb. Regardless of how it is used, there seems

to be a common theme here. Terms like reputation, recognition, privilege, respect and integrity are prevalent. "A showing of usually merited respect" also known as Recognition is the definition used when describing the military Veteran.

Unfortunately, many of the Veterans that served in the different military branches did not receive this respect or recognition for their service. The days of ticker tape parades seemed to quickly turn into protests and marches. Veterans were portrayed very poorly and treated even worse when they returned from war.

The sad thing is that those individuals exercising their freedoms were using them against the ones that fought and died to ensure those freedoms were there.

Fortunately, times were in the process of changing. Memorials/Monuments were being built in Washington DC in recognition of all who served. The year 2004 marked the completion of the World War II memorial, but for many this happened too late. It has been estimated that over 600 World War II Vets die each day. For others, the cost of travel prohibited their ability to visit the memorials.

This was unacceptable to one Springfield, Ohio based VA Physicians Assistant. Prior to starting his second career with the VA, Earl Morse was a Captain in the US Air Force and a pilot. What if we flew these Vets to Washington DC in our own planes, showed them the sights and brought them back home?

Eleven other pilots from Earl's local aero club agreed and on May 21, 2005, six planes carrying 12 Veterans took off for Washington DC.

This trip was done for the Veteran at absolutely no cost to the Veteran. Honor Flight was born and in the first year had the privilege of transporting 126 World War II Vets.

Chapter CA-1M
Meeting Minutes

January 13th, 2019

Chapter Director's comments:

Jerry announced that Glenn would be taking on Member enhancement from Trent. Jerry thanked all his returning staff. Jerry congratulated Diane on a great job at the Christmas Party, we plan on Having the party at the Barn again this Christmas. Jerry announced that Highland Cycles, a long time supporter of Chapter M, is closing at the end of January. This is very sad news. We welcomed a new visitor Ian Alvarado who has a Silver 1500, we hope he Enjoyed our gathering and will come back in February. Jerry said Roger showed up with his bike and trailer all lit up for the Light Ride. Roger was a big hit with his beautifully lighted bike and trailer! District announced two upcoming multiday rides for this year and they sure look like a lot of fun and an opportunity to see some new territory. Patrick led his first ride (YEA!) four riders went to the Children's Hospital Toy Run in Orange. Jerry had never seen that many Harleys in his life. They all received free coffee and donuts and a t-shirt. All you had to do was donate a toy for a child. Jerry says out of 350 bikes six were not Harleys. Starting in February we will start promoting our Rally in October. We are once again starting the "Money Jar" which will be a grand prize. Glenn was presented with his Grand Masters Level Patch, well done Glenn! Remember we will have a District Rally this year in Minden, NV.

Notes from the Officers conference January 19th, 2019 in Bakersfield, Ca.
Jerry, Lois, Linda, Trent and Gary attended.

Minutes from the Ride coordinators meeting.

Seven Chapters grew in 2019
CA-C CA-1C CA-IL CA-2A CA-2Q CA-2S
CA-1S won for most new members and had their Chapter fees paid for 1 year.

We are looking to start a new District game for 2019
We have 22 chapters and are exploring options for fun games

The Chapter Directors have all the information on the levels program.
If you need to know where you are in the levels program ask the staff and we will get back to you with your information.

All Chapters are encouraged to have fun rides to include all the members. Please let your staff know if you have any ideas for activities or rides.
Just give us a note at the meeting.

District would like the Chapters to put on their calendars and or on their web sites, favorite rides, restaurants, concerts, and other events that other Chapters might be interested in participating in.

The District is actively looking for ways to bring in new members/riders. They don't have to ride a Honda, just be able to keep up with us on the freeway.
Possible members could be the Patriot Guard Riders, the members may want to expand their riding experiences and have some fun rides with us.

Within our own chapters we need to arrange more destination rides and activities to include all members and encourage new members.
Possibly include rides with special interest groups, like camping, women riders, vets, and RVing.

The District has two rides this year and we can participate in any part of the ride that We would like to ride in. For District ride information contact your Ride coordinators.

The Distract is encouraging chapters to combine activities like we have done with our picnics and train rides in the past.
We would like all the membership to be involved whether it means hosting a ride stop, taking turns greeting new members at the meetings, calling raffle tickets and or handing them out.
Members are encouraged to get involved with your Chapter. If you have an article that may be of interest to everyone please contact the Newsletter editor for consideration in our newsletter.

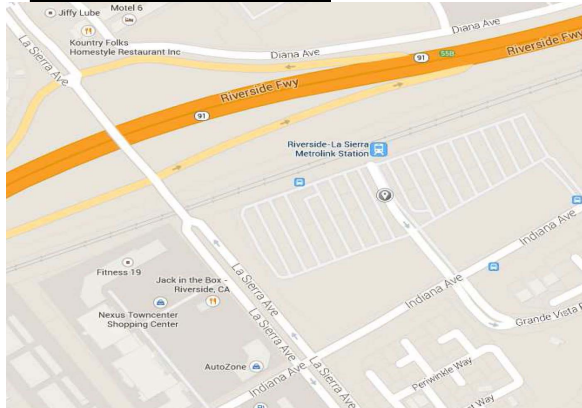

Linda Flechtner won second Prize for our Chapter M Newsletter in the District.

Mike & Barri Critzman
Director of Motorist Awareness

UPDATES FROM THE FIELD: MOTORIST AWARENESS

By Gary Ballou, Ohio District, Motorist Awareness Program Coordinator

Whenever I speak to an audience at a GWRRA officer's meeting or a Chapter gathering, I like to begin by asking everyone to point to the person who is responsible for handling Motorist Awareness in their Chapter, and hold that pose so we can all see it. While most will be pointing at their CD, MAP Coordinator, etc., I follow up with (Spoiler Alert) OK now look carefully at your own hand. One finger may be pointing at someone else, but how many of your fingers are pointing right back at yourself. Probably about three of them, right? That is because Motorist Awareness is everyone's job, especially your own.

During a recent Zoom conference with the GWRRA Motorist Awareness Team, I asked, "Why hasn't GWRRA ever taken up the idea to adopt a day of the year when we ask ALL Chapters to do some type of Motorist Awareness event?"

Most of you know that the month of May has been adopted by the National Highway Traffic Safety Administration as Motorcycle Awareness month and most State Departments of Transportation have followed suit. Highway billboards are already saying, "Look Twice, Save a Life. Watch Out for Motorcycles, etc." With that premise, I propose that the second Saturday of May be designated across GWRRA as a "Motorist Awareness Promotion Day." We'd like every Chapter to do something that will get you out riding and interacting in a positive way with the general motoring public.

Don't over think this. It could be as simple as riding to an interstate rest area, park your motorcycles together, set out a couple of Motorist Awareness tri-folds on the seats, and have a picnic lunch at a nearby table while interacting with the public. C'mon friends, you really wouldn't be opposed to showing off your bikes with friendly strangers, would you?

We understand that by the time you read this, most Chapters will have already planned out and published their Ride Calendars for 2019. But schedules aren't cast in stone. Please try to get this onto your Ride Calendars. Be creative and most of all, HAVE FUN with it!

*Note from the Directors. We are looking into designating a date in May as Motorcycle Awareness Day. Thank you Gary, great idea!
