The Ride!

Jerry and Lois Cowan
 CA1-M Directors

Wow!! February sure turned out to be a cold & wet month. The mountains around here sure look good with the snow on them. I am glad I don't live up there in the snow (sorry Trent & Denise). In February we had three dinner rides on which two of them it was raining, several of us showed up in cars anyway. Good thing the weather was good on Johns breakfast ride on the 24th. Even though it was cold and wet on our meeting day we had a lot of people show up, only two showed up on bikes. Me (not Lois, she was smart and took the car) and Mike Rand who is from Chapter V. Also, in February we had two members funerals to go to, Sally Randall and Joanne Britton. A lot of great memories with both, they will be missed.

This month we have our first Rally of the year which is Chapter F's ride on the 16th. Pre-registration ends on the 9th. There are less Rally's this year. So, if you can, lets support them as much as possible. We have 3 Rally's in April plus the District ride. In May is the District Rally, be sure to get your rooms early if you plan on going and to register.

Think summer while you are layered with 3 jackets...keep warm.

February 10th, 2019

Paul McMichael former owner of Highland Cycles thanked all of Chapter M and Trent for their support over the years. We are sorry to see Highland Cycles close.

Mike from Chapter V rode in the rain to tell us about their Rally starting and ending at Maxes. Grand Prize is a set of tires.

Mike Van Dyke and Julie Mattox were awarded their Rider Education Levels 1,2 and 3! Congratulations!!!

Motor Awareness: Barri talked to us about being distracted while we are driving which causes 25% of accidents. It takes 27 seconds after being distracted to become aware again.

Jerry announced out new IOY as Patrick Green and our new COY as Ron & Dianne Hogle. Patrick was awarded his medallion. Ron & Dianne were not present. IOY and COY are the ambassadors for our Chapter and work to make it better. Ralph and Robin French are the new District Directors and want us to ride more destination rides and to try to include everyone.

Russ asked us to please sign up for Group Works so you can see all the available Chapter rides across the area.

Jerry reminded us that if you find you are assigned to be a member in another Chapter you can notify GWRRA HQ and it can be easily changed.

Jerry needs help to organize Motor Awareness groups to meet in Shopping Malls and places we eat. If you talk to someone about motorcycling it counts so email Jerry the details.

May 11th is Motor Awareness Day for the GWRRA so we should plan an event.

Visiting Chapter: Mike Chapter V and Paul McMichael

WELCOME NEW LEADERS

I would like to introduce you to the new and newer District Directors that have stepped forward and have put their team together to lead our Chapters all for the benefit of our Membership. I am very happy to introduce this amazing group of volunteer leaders who have such passion for GWRRA that they wanted to step forward and share the fun, adventures, rides, and leadership with their great Districts. Please reach out and welcome them and then do one more thing, let them know how you can and will help out.

CA – Ralph and Robynn French E: randrfrench@comcast.net

CO – Joyce and Rick Elmore E: jelmore16@gmail.com

DE/MD – Danny and Paulette Horton E: candyorange18@gmail.com

MN/ND – Bob and Renae Hicks E: q.bob.renae@gmail.com

WA – Jesse and Eva Valentine E: hvalk_58@gmail.com

COMBINING OF DISTRICTS:

This is always a tough decision, but it is service to the Membership that drives a decision like this one. Jim and Dawn Poirier served wonderfully and now they will become Assistant District Directors to help Kevin and Georgia Leblond. Kevin and Georgia are Senior District Directors and continue to be recognized as exceptional leaders. We feel very confident that all of the Members in this combined District will be well served. Thank you to Jim and Dawn for continued service and Kevin and Georgia for taking the reins.

MA/CT/RI – Kevin and Georgia Leblond E: Gwrra.mad@gmail.com

THANK YOU:

I want to thank all the District or Chapter leaders who have been leading and serving our Members in GWRRA and have decided to step aside so others could lead. I thank you from the bottom of my heart. District Directors who have recently stepped aside: CA – Nancy and Bob Clark; CO – Bryan and Emma Lape; CT/RI – Jim and Dawn Poirier; DE/MD – Eddie and Helene Grossman; MN/ND – Joe and Jan Marek; and WA – Garry and Maxine Alexander. **Thank you all for your service.**

**CHAPTER
GATHERING
FEBRUARY 10, 2019**

The requirements are simple. Enjoy riding, listen to and follow instructions and ride a motorcycle that has a full fairing (no it does not have to be a Goldwing). Oh yeah, and you must have fun!

Not a rider? No worries! We can use you also. You can be a performer. What is a performer you ask? Remember earlier I mentioned maneuvers with passengers? That is where you come in. We need people to assist in the performances by being a part of the performance. You think it is impressive to see a person standing between two motorcycles while the group rides around? Well, why not get a different perspective? Be the person standing between the bikes. We promise not to make you do the splits. Feel comfortable on the back of the motorcycle? Many of our maneuvers incorporate passengers. You can also assist in the Gold Angels exercise program by helping them

jump rope. If this sounds good, please contact any of the Gold Angels.

Unable to do either of these? Why not consider being part of the Gold Angels support team. The California Gold Angels are a "Not for Profit" organization and does not charge for their performances. Each rider/performer is responsible for their own expenses. Sponsors are always welcome and can come in many forms such as monetary help, discounts, maintenance items (tires, brakes, oil and filters) or services. If you can help out the team, please contact them.

The California Gold Angels can be reached on the internet (www.goldangels.com) Facebook, or PO Box 301162, Escondido, CA 92027

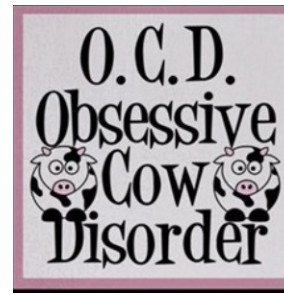

Michael R Douglas

Are you an Angel?

According to Zuzu Bailey in *It's a Wonderful Life*, "Every time a bell rings, an angel gets its wings!" Well our Angels are a little different and so are their wings. The angels I am referring to are members of the California Gold Angels precision motorcycle drill team. The wings they use are Honda Goldwing motorcycles and sadly are not issued at the ringing of a bell. Darn! Formed in 1999, the Gold Angels team is dedicated to the promotion of Motorist Awareness through the performance of precision maneuvers. Some of the maneuvers involve multiple motorcycles and go by the names, "Infinity", "Double Snap Crossover" and "Tigger Swing" while others are done with a single motorcycle carrying two passengers going around in circles while standing up on the pegs. Oh, did I mention "NO HANDS"? There are even parts of the performance where people are standing in between two motorcycles that are riding around the parking lot. It is an amazing thing to see and even more rewarding to actually do. Are you a rider that loves to ride? Do you want to improve your skill level? Do you feel that Motorist Awareness is important and you would like to get the word out "Look for Motorcycles"? Well have we got a deal for you! The Gold Angels are always looking for more members to join the team. Actually, it is more than a team, it is a family. We practice two to four times each month at the Casino Pauma located just off CA Hwy 76 south of Temecula. Practices usually run from 9:00am – 12:00PM mainly on Sundays. Practices are broken into two types. The first type of practice addresses the basic skills such as follow the leader, slow riding, tight circles and balance and control. This is where the new members spend much of their time before participating in the second type of training which is where the basic skills are now combined into the actual drill team maneuvers that you see during one of the performances. This is where you learn to trust your fellow riders and the importance of timing. So, you are probably saying to yourself, "I can't do that!" or "I'm not that good!" I can guarantee you that each and every past and present member of the Gold Angel has uttered one or both of those statements when they first thought about joining. Don't worry, safety is the most important item on the list and you will never be forced to ride beyond your skill/comfort level. So, if you think you would like to give it a shot, contact the Gold Angels and join the family.
