Come Join Us For The Ride!

Last month we went to chapter A's Rally in Lancaster. The self-guided ride was fantastic. Some twisties and lots of flowers. Visited with a lot of friends that we have not seen in a long time. The following day was Chapter V's Rally in Apple Valley. Someone convinced Trent to lead a ride and suddenly, he had 16 bikes ready to follow him. He was able to convince Don (District Ride Coordinator) to lead half of the group. The route took them up route 66 towards Barstow.

On The 17th of April Patrick lead his first non-rain Wednesday dinner ride, to Tam's Burgers in Yucaipa. As all of us have found out, just because the GPS says there is a road there, doesn't mean it is passable with a Goldwing. He had to make his first moo-turn. It was a great ride and another nice new to us place to eat. They have a lot more to eat than just burgers.

Thursday the April 25th was Rich Blackburn's Memorial in which a lot of Rich's GWRRA friends showed up. Afterwards was a reception with many shared memories. The next day was the burial at the Riverside National Cemetery in Riverside. Lots of bikes from GWRRA members and the Patriot Guard Riders, PGR, escorted Rich and the family to the cemetery. Larry Medcraft presented Sue with a PGR plaque signed by all that was there and the American Flag in a display case.

April 28th eight of us went to Chapter Q's Rally in Huntington Beach. As usual they were quite organized with several games to play to keep us busy. Roger Taylor was there with an 1800 Engine broke down in pieces so you could see how things work. Roger and Tom Del Mar were around to answer questions. Members that went on the District ride stopped at the Rally.

May 11th we plan on visiting Chapter I in Covina to promote our Rally. Also on June 1st we are to visit Chapter A in Lancaster to promote our Rally. Our meeting for May has been changed to the third Sunday the 19th because of Mother's Day.

May 24 through the 26th is the Calif District Rally in Minden Nevada. Lots of great riding in the area.
