HAPPY NEW YEAR 2012 IS
HERE

2011 was not a good year for a lot of people. The economy along with the housing market just sucked. I'm hoping 2012 is going to be better for everyone. I always try to have a positive attitude and things seem to work out.

The GWRRA riding schedule will start in February. That gives you the month of January to get your bikes ready. Keep your eye on the ride calendar and join us when you can. It's always fun riding with more of your friends.

The region rally at the end of May is going to be in St George Utah. It should be a good time for all of us to get together. We have already registered for the rally and plan on going. In fact were looking forward to it. It should be a good time of the year, before it gets too hot, to visit Zion and Bryce Canyon. There is so much to see near there.

This will actually be the first region rally for Sandy and I. I'm giving you all a lot of notice so you can plan on attending. I think Anita would appreciate us all showing up.

We have had some changes to the staff, as you will see in the newsletter. Our COY for 2012 will be Norm & Greta Barnard and our IOY will be Matt Burns. Congratulation to all 3

We would also like to thank everyone who was a staff member in 2011. We appreciate everyone who has taken a staff position for 2012. help us to make 2012 a great year for everyone!

CA1M Assistant Chapter Directors

Another year is in the books, and it is time to ring in 2012. We are looking forward to the New Year and getting back out on the road.

The Christmas Party was fun, and we enjoyed getting together and talking about all the great trips we've been on this year. Congratulations to Norm, Greta and Matt as the Chapter Couple and Individual for 2012. Hopefully you will have lots of CA1M members at the District Rally for support as you compete in September.

The herd has gained some new members recently and we hope to show them how much fun it is to ride with CA1M. There should be a good variety of rides this year between Pie Rides, Rallies, day rides and hopefully a few overnight trips. It is always fun to get a little distance from home and find some new roads and sights.

We had a good time at the Long Beach Bike Show after the December Meeting. There was a good variety of vendors showing off their products, and the manufacturers were showing off their new bikes. The Smage Brothers put on an amazing trials demonstration. The moves they are able to pull off on a motorcycle are unbelievable.

Although our bike may be iced in for the next couple of months, we will try to make as many events as possible until the roads thaw out in the spring.

California DD Review:

Greetings fellow Winger's,

While trying to decide what to share in my article this month, up popped an e-mail from the home office discussing the revamped "Find-A-Friend" program. For those of you that may not be familiar with it, the following are the details of what they are offering.

For every five new memberships you recruit (households), you will receive a gift certificate with the equivalent value of a Family Membership - **\$55**.

You must recruit new memberships only, not renewals. Each membership (household) counts as "ONE" regardless of the number of family members in the membership. (They will however, count under the Find-A-Friend pin and T-shirt program.)

Gift certificates are non-transferable and will have a one year expiration date.

There is no maximum number of gift certificates that can be earned.

Free years are issued and redeemed in the form of a gift certificate that is sent by the Home Office.

Continued on Pg. 6

California DD Review

Continued from pg. 5

Upon achieving the count of five new memberships (households), Members have the "option" to redeem gift certificates(s) for:
GWRRA Membership Renewal
GWRRA Official Merchandise
Wing Ding Registration
Chapter Charter Fees

Memberships recruited during special events (mall shows, rallies, motorcycle shows, etc.) qualify for this program.

Life Members may use the gift certificates for GWRRA Official Merchandise, Wing Ding Registration or Charter Fees.

Free year's membership may be applied toward consecutive years necessary for Life membership.

Trial membership applications may be used for the recruiting efforts. Membership fees must be paid to qualify for this Find-A-Friend program.

So what are you waiting for, this is a great time to get out there and help our chapters grow. I just can't imagine what the world would be like without GWRRA.

Until we meet again, "Hang on – we're going for a ride".

After the Planning Meeting on the 12th, Rich B lead us to China Garden in Moreno Valley. Cobra (aka Jerry) took us to the Long Beach Bike Show where we saw lots of new models and legal consequences:

Jerry also led a Christmas Light Parade in Redlands or should I say Rainland after the motorcycle show and the Loma Linda Toy Ride. Pie rides included China Garden, Sizzler, and Giovanni's. Everyone that went enjoyed the ride.

Upcoming rides and events are shown on the CA1M website at www.CA1M.org and in this Newsletter. The pie rides shown on the calendar are for Taj (tajcalifornia.com, an Indian Restaurant in Murrieta) starting January 4, 2012; Laws in Riverside, Taco Village in Grand Terrace, Sizzler in Murrieta, and Jason's Deli in Moreno Valley, and Honey's in Corona. Come join us for friendly conversation, motorcycle stories, and good food.

The Chapter Meeting is on January 8 at the Food Connection in Norco; we believe Steve D will lead the after meeting ride and the Planning Meeting on January 9. Your suggestions for rides and destinations are welcome. The officers will attend training in Bakersfield on the 20th and 21st.

Matt will take us to CA1K for their rally and prizes on January 28 and CA1Z in Temecula on February 4th. Steve will lead the ride to CA1R in Irvine on February 5th. We are planning a Presidents Weekend Road Trip for February 17th to 20th. Save the date and let us know your preferences and destinations.... Hope to see you on the road to more fun, knowledge and safety in 2012. As the District Director says "Hang on, we're going for a ride" and we hope you will too with CA1M. Let the good times roll! **Happy New Year!**

All items welcome!

John and girlfriend bargained and traded their way into a new motorcycle jacket to stay warm, and new member Neil scored on several items. But Jerry, Del, and Ron got away with a few of the goods also.

The barbeque was delicious and everyone had a good time with the Wing Stuff Motorcycle Family. We even had time to visit and learn from the vendors about the different products available to make your ride more comfortable and safe.

Merry Christmas and
Happy New Year to All!

The herd was the recipient of many fun rides and great experiences this past year. It was good to reflect back on the fun times as we viewed the pictures from our photographers at the Christmas Dinner on December 3, at Hickory Ranch Steakhouse. Steve D, Chapter President also introduced his new slate of officers for 2012 and is looking forward to an even more fun filled motorcycling year in 2012.

Several members of the herd attended Wing Stuff's holiday party and were treated to numerous prizes

The Parting Shot

The final Newsletter Article of 2011, and the last one for me, as your Chapter Educator. It is with mixed emotions that I step down as your Chapter Educator. Before I made that decision, I thought about it long and hard. I discussed it with Sandy. I prayed on it, and, came to the conclusion that it would be best for me, and for the Chapter.

Before writing this article, I looked back on some of the articles that I have written for these newsletters, over the past two years; and what came to mind is the research that I did, and the learning process that I underwent in writing them. I can remember very vividly, in the beginning, how intimidated I was, to be in a position where I was to teach safety principles to a group of riders with many years of experience in GWRRA, and road experience on a Goldwing. I was "New Guy Bob", but I learned as I went, and everyone made me feel welcome and appreciated. I've said it before, but I'll say it once again; I learned much more than I taught. The writing aspect of the Chapter Educator duties has been, perhaps, what I have enjoyed the most. In fact, writing and research are some of the demands that are steering my focus in a new direction.

I still plan to be involved with various aspects of Chapter Education. I will be available to teach CPR and First Aid. I am a seminar presenter, and certified as a Parking Lot Practice Facilitator. I am looking forward to nicer weather when we can resume PLP practices.

I am very excited that Larry TEGEL has decided to take the post. Not knowing who would step up to the plate, was certainly one of my concerns about stepping down. Larry's knowledge and experience, combined with his proven commitment to the Chapter, will make him a great Chapter Educator.

Thank you for your support and confidence for the past two years. It has been a privilege to serve.

A Yellow Leaf

A yellow leaf in the branches
Of a shamel ash
In the front yard;
I see it, a yellow leaf
Among so many.
Nothing distinguishes it,
Nothing Striking, striped, stripped,
Strident, nothing more than its yellow
On this day,
Which is enough, which makes me
Think of it later in the day,
Remember it in conversation with a friend,
Though I do not mention it -
A yellow leaf on a shamel ash
On a clear day
In an Arizona winter,
A January like so many.

"Out on I-40, two friends and I hit the asphalt at 70 mph. You never forget something like that. You also never forget those who were there to help- to genuinely help. The honest and tireless legal support that Steve Schapiro and Stan Leventhal dedicated to us was powerful. But even stronger was their sincere understanding of this lifestyle- and of it's importance. That is what really kept us going. That is what truly restored us." Bill Hayes, Boozefighter's National Publicity Officer, and former client.

New Kid on the Block

Since I have not officially been installed, I'm just going to make this short and sweet. It is very important that we pay attention to the little things, like the fact that the tires still have air pressure in them and you can see some tread. You have enough gas to make it to the ride start location where you can fill-up the tank. You have your heated vest and gloves since it is 38 degrees out this morning when you leave the garage. You have your rain gear in the saddle bags because there are black clouds everywhere you can see. And, you have had your battery tender plugged into the bike since it has been 5 weeks since you last rode the bike. We laugh about these things, but we have probably been involved with each of them at one time or another. You and your co-rider's safety and comfort are of utmost importance. You cannot enjoy a ride if you are cold, wet or uneasy about your safety and the safety of others in your group. There is a good reason that the moto for GWRRA is "Friends for Fun Safety and Knowledge". Let's all be safe out there and have a great ride!

SLICE OF WRY

Some railroad workers who had no knowledge of golf were having their lunch on a hillside overlooking the greens of one of the state's finest country clubs. They watched as one golfer knocked his tee shot into a rut off the fairway and then they saw that it took him several swings to get his ball back on the fairway. They watched him hit his next tee shot into a sand trap, next to the green, then observed that he took several more strokes extricating his ball out of the sand and onto the green. Finally, they watched him sink a 60-yard putt right into the cup. One of them shouted out, "Now you're in a fix, aren't you? You'll never hit it out of there!"
