Ramblings

Welcome to 2015

Who would have thought that we would all see the year 2015. While looking back over the years at some older newsletter articles how far we have come. Computers are now a part of our everyday lives and it seems that they rule our daily routine at times. I was asked recently about some things that the chapter once did in years past, and this person had no idea of some of our activities and some of the positions that people held. Just goes to show you that there is always something new, yet it seems that some things are long lost in the history of our chapter. Chapter M has a very rich history in deed and I for one am looking forward to making many more memorable times with each and every one of you. Our plans for 2015 are going to be something for everyone. We hope you ride often with the herd and bring your ideas to the chapter. We may not be able to do everything, but we are certainly going to try to make the rides and activities something you want to participate in with the chapter. Your staff is working hard to keep you informed thru emails, facebook, phone tree and the website. Take advantage of all these ways to keep in touch with each other and the chapter. Special thanks to those who are keeping things going. Chapter activities throughout the state are being planned as I write this article and the first Poker ride is coming FEB 7th.

CA11 Valentine Run is first up. Don't miss this event, as I hear it will be a special event for sure at Bert's Mega Mall. I have heard that the GOLD ANGELS DRILL TEAM will be there with something new to wow you. If you haven't seen their performance since last year don't miss it this year. Chapter I always has a great event planned.

Jan 24th is the District Officers Meeting in Bakersfield where we will have a daylong session to share thoughts and ideas and install new officers throughout the California District. Shortly after the meeting will be the Valentine Run on Feb. 7th and the day after, Feb 8th will be our chapter meeting where we will be sharing information from the officers meeting. There are a few staff positions that are still open at this time, so if you are thinking you would like to be more involved contact me and we can discuss. I know the more you are involved the more fun you will have. The pay has increased due to the raising of the minimum wage. We have added one more "0". pay range is now \$0000.00 to \$00000.00 per year. The benefits are **MORE FRIENDS, MORE FUN, MORE FAMILY AND SAFER RIDING. VOLUNTEER TODAY**

Happy New Year!!

The presents have all been exchanged, the boxes and wrapping paper discarded, and the tree packed away for another year. Hopefully, you were on Santa's "nice" list and got everything you deserved, if not, next year work harder to get on the "naughty" list and guarantee yourself getting everything on your wish list (it worked for Princess). Now it's time to take a peek at this year's GWRRA's activities and looks like another full year of fun! On the 24th of this month, California has its annual Officer's Conference at the Double Tree hotel in Bakersfield. Most of us think of it as an officer's only meeting because all of the chapters' officers are supposed to attend, but the meeting is open to all members and, yes, the \$25 lunch fee and hotel costs are legitimate expenses that the chapters are expected to pay for if their bank balance permits. The meeting runs all day and then Princess and I will be hosting a party in our suite with food and beverages. Last year we had about 75 people at the party and we are hoping to double that number this year. Please let your Chapter Director know by the 12th of this month so they can get us an accurate headcount for lunch.

Last year, Princess and I were able to attend every chapter's rally, the Officer's Conference in Bakersfield, Region F's Convention in Utah, the Horizon's Certification Training course in Riverside, the "Lead Like You Ride" Certification Course in St. George, the California District Convention in Agoura Hills, and Wing Ding in Madison Wisconsin. Combined with the weekends I teach at StreetMasters and I think we were home for five weekends in all of 2014. Like many of you, we still work full-time and, fortunately, our real estate business has started to pick up. This means that this year we will not be able to attend all of the events so we were left with the dilemma of how to decide which chapter events to attend. Out of fairness, we will be attending the chapters that did not hold a rally last year: chapters CA1-S, CA2-A, CA2-J, CA2-Q, and CA2-S and then we will randomly draw 4 chapters at the Officer's conference and will commit to attending those events as well.

Just a quick reminder to all Chapter Directors and Treasurers that your yearly financial statements are to be submitted at the Officer's Conference and the receipt for your 990-N needs to be submitted to Princess by the 12th.

Until we see you in Bakersfield, ride well and ride often.

On the Road Again

We had some fun times and good rides in 2014. The Christmas party was a big success. Jerry "Christmas Light Ride" was special; we concluded our ride at Jim and Suzanne's home for coffee and cookies. Thanks, to Jim and Suzanne for their hospitality.

2015 we are always looking for new adventures and ride leaders. Last month at the planning meeting, Paul brought up going to Hearst Castle and riding around Buellton for some pea soup. There will be a sign up list at the next Chapter meeting, for those that are interested. We need to get a ride leader for that event, if you would like to lead that ride let me know! We looking into doing this ride before Paul goes home in March.

For those of you that are looking for short rides, I am leading a Sunday morning breakfast ride on the 25th. Short ride to breakfast and then home, we are going to Patsy's, meet at Loc #2 at 9am. Keep checking your e-mails for the upcoming ride events. As always, the ride leaders are important and thanks to those of you that have stepped up to the plate to lead the rides, you are appreciated.

Lets talk about RENO!!!! Saturday to Sunday, June 13- 21, 2015, we've booked our rooms at The Grand Sierra Resort starting on the 15th of June through the 20th. If you plan on going to Reno you should book your rooms now. We still need to book rooms, on June 13 and 14, 2015. We're still planning. For those of you who have been to Reno, help us out; send your suggestions to me via e-mail. COME ON lets go ride RENO!!!!

A note: from your tour director.

Each and every of you bring a special shine to this Chapter, your individuality and presence is what makes CA1M, so special!!!!!!

RIDER ED 'GIMME 5'

RIDE DEFENSIVELY...

Nearly two-thirds of all motorcycle accidents are caused by a driver violating a rider's right-of-way. Usually this is because the motorcyclists was not seen. To avoid this, YOU MUST RIDE AS IF NO ONE ELSE ON THE ROAD CAN SEE YOU!

Helpful tips to remember:

- *Slow down at intersections and ride through carefully.
- *Watch for turning vehicles.
- *Stay out of driver's blind spots especially Big Rigs and try not to stay next to them in case they have a tire blow-out.
- *Signal well in advance of any change in your driving pattern.
- *Don't assume a driver sees you, even if eye contact is made.
- *Use your horn when necessary or if you aren't sure a driver can see where you are. When doing so, honk twice, not once. Two beeps is far less annoying than one.

***RIDE PROUD... DRESS LOUD**

Be careful when you approach another vehicle. It's hard for drivers in oncoming vehicles to accurately judge how fast your motorcycle is moving. That's why it's up to you to make sure you can react safely if another driver suddenly turns or pulls out in front of you. Also, make sure you have plenty of space between you and the vehicles in front of you.

Remember, if you don't look out for yourself on the road,

...no one else will.

RIDER EDUCATION

When we are riding in a large group there is always a chance to get stuck at signals and other delayed situation. The ride leader should slow up...do not think you will be left behind. Just announce that you are stuck at a light and they will either slow up or stop till the group is complete. Don't feel you have to go over the speed limit to catch up.

When there is going to be rain on a Pie Ride we will be canceling the ride. Even in a car it is not safe and we are better to be home in our house and not out in the bad weather.

STEVE D . PLAYING WITH MISTLE TOE AT THE PARTY

Loma Linda Ronald McDonald House

The House is very appreciative of our on going donation of money to pay for their paper goods. One less worry they have to do. Your contribution to the Charity every meeting is used to support the House. Plus that chance to win the wonderful bake goods that the women have been contributing.

I took over the leftover peppermint candy from the party. And they put it out in an empty candy dish in the entry way nothing is left behind.

I am still collecting the Pull Tabs for the House. It is an ongoing donation for the House.

Remember, any trip to bring home the motel soaps and shampoos, Many of these families come in with just the clothes on their back. It could be an accident or the birth of the baby needing special attention that is transferred over to Loma Linda or other local hospitals. They do not come with suitcases. I have seen many leaving with a large trash bag with their belongings . So the Motel soaps and shampoos are very helpful.

Thanks to all for your ongoing support of the House.
