Happy Valentines Day! Our first meeting as your new chapter directors (Steve, Becki, and I) was a welcomed site for us. Over 80 of you found your way to the Pepper Steak restaurant. It was a tight fit but it all came together. We want to thank all of you for your support and a special thank you to all the staff members that make our herd complete. Steve And Sandy Damico led the after meeting ride that took us up the mountain thru Lake Arrowhead and around the Lake then back down the other side to Apple Valley for lunch. It was a beautiful day for riding. The many twisties that we all love and clean fresh air. Great ride Steve! Many of you submitted suggestions for rides and we will be working on trying to get some of them on the calendar for up coming rides. We appreciate your input and always welcome more ideas, we love to ride and welcome fresh ideas to have even more good riding memories. February has some great rides coming up. One that I'm really looking forward to is John Somma and Rich Blackburn's Sedona ride over Presidents' Day weekend. Rich always has rides to please all of us with lots of great side roads and cool places to see. I've enjoyed all of Rich's rides over the years so I'm excited about this ride. I hope many of you mark your calendars and join us on this Presidents weekend ride, again if you can't ride your bike join us by car. Sedona should be beautiful this time of year, you never know what adventure awaits us and we as a herd always make it that much more fun! Stories always seem so much more interesting after the rides, plus we need to fill Sue's note pad with more udderly ridiculous nominations.

## Continued from pg. 3

I look forward to all our rides and get-togethers as I'm sure many of you do. It's a time to enjoy doing what we love to do, being with good friends, and forget the everyday stresses of life for a short time. To take a breath and get that rejuvenation feeling to battle the rest of the week and what it has in store for us. Having an opportunity with your special someone, best friend, soul-mate, or even being with the herd guarantee's having a great time.

Many of my fondest and best memories we're made with you, my friends and herd family which I will treasure for ever! So let's get out there and make many more memories to come! Be sure to check out the ride calendar so you don't miss out on any of the upcoming rides and events. Don't forget we also have our summer ride planning meeting coming up this February at Del and Joanne's house to decide on where we will be stopping along the way to Wisconsin and back, plus some side trips along the way. It's your vacation too so we want your in put too, please join us if you can!

Feb. 2014 Newsletter article

WOW! Where has the time gone so far? Our Jan. meeting was packed to the point of overflowing, what a great turnout. Thanks to all of you who submitted suggestions for rides and activities. We have included some of them in our ride calendar and are working on those activities for the chapter. Chapter R liked the idea of our interest sheets as well.

Our interest sheets will be available at future meetings by our sign in sheets, so while you have a pen in hand feel free to add your ideas as this will help us plan more activities that you the Chapter Members want to do in the future.

Larry Tegel had a great turn out for his classes this month and from what I heard his bike was actually on its side for a short period of time. For a picture of this rare site go to the chapter Facebook page. Rides everywhere this past month were great, and the weather has been fantastic. Thanks to all the ride leaders and participants.

Now for the month of Feb, its going to be even more interesting as the poker ride season begins with the Chapter I Valentine Ride starts us off this month. They always have a good turnout and I hope everyone can attend. I am pretty sure you will be amazed with the Gold Angels Drill Team as this is their first major event of the year and always have a surprise in store.

## **Back In the Saddle Again**

As some of you know, I have been recovering from having my ankle operated on back in November. After six weeks in a cast and six more rehabbing, I have finally been cleared to get back in the saddle and start riding again. To celebrate this success, my wife, Princess, bought me a shiny, brand-new 2014 bike! It's blue and has all the bells and whistles you could ask for except one: a motor. My loving spouse bought me bicycle to help rebuild the strength in my ankle. I suppose it's really my own fault; the next time I tell Santa I want a new bike for Christmas I will be more specific! On the positive side, I am up to 15 miles at a time and if I keep at it, will be back on the Gold Wing in time for CA1-I's Valentine's Day Ride.

Last month we held our annual Officer's Conference in Bakersfield. I would like to publically acknowledge and thank Nancy Foote, the owner of StreetMasters for sponsoring the conference and for her generosity. StreetMasters' Lead Instructor, Walt Fulton, put on the entire classroom portion of their course for all of the attendees and then planned an on-road course for some of the attendees on Sunday at no charge. Additionally, StreetMasters donated a gift certificate to attend one of their all-day, on-track courses valued at \$390.00 to each of the chapters in attendance to be used as the chapter saw fit. As one of the instructors at StreetMasters, I look forward to seeing many of you out there this year and, again, it is through partnerships with organizations like this we can all improve our riding skills and margins of safety.

**Continued of Page 7**

Each year, CA1-I kicks off our rally season and this year is no different. In addition to having the Gold Angels perform, they always have a great ride planned and excellent food as well. The event is held at Bert's Mega Mall in Covina with check-in at 9:00. In addition to all of the usual events we will also be announcing the 2014 Chapter of the Year.

In March, we have two events. For those of you wanting to become Certified Trike Instructors, GWRRA is offering the class in Tucson, AZ during the first week of the month. It is a 5-day course and after successfully completing it and being monitored, you will be qualified to teach the Trike Rider Course (TRC) at any District, Region, and National event including Wing Ding! Anyone interested in becoming certified should contact Mike Burke, our District Educator (his contact info is on the District's website).

The second of March's events is CA1-R's 16<sup>th</sup> Annual Rally In the Valley entitled, "Ridin' on the River". Their rally is the 28<sup>th</sup> through the 30<sup>th</sup> at Harrah's Laughlin Hotel and Casino. I will share more details next month about their rally, but circle the dates now so you can plan on partying with us that weekend in Laughlin!

Until next month, ride well and ride often.  
Vincent and Pamela Puterbaugh

## Tour Directors-Rich Blackburn and John Somma

We had a great First Planning Meeting with our new officers, remember, that everyone is welcome to attend these meetings. Your input is needed to make this the best year ever. The month of Feb. is planned for our Sunday, Wed, night dinner rides and weekend rides. **MORE BIKES=MORE FUN.**

**Continue of Page 9**

The next big event that needs to be planned is WING DING. We need your input. If you think you may go to Wing Ding this year we will meet on Saturday Feb 22<sup>nd</sup> at 10:30 am at Del and Joanne's clubhouse. If you've never visited the clubhouse, its something to see and you can help plan the ride to Wisconsin. MORE BIKES=MORE FUN.

President weekend Sedona ride will be our first overnight ride of the year. If you've never been it is one of the best rides we do. Leave on Friday. and return on Monday. We will send e-mails with all the particulars, plan on coming out for the Sedona ride. MORE BIKES=MORE FUN.

We will be now planning March rides. If you want to lead a ride, get with us to pick the date. If you have never been a ride leader we will be happy to help you put your ride together. We may also get with you to set up future rides, we need some new ride adventures, and everyone has great ideas.

There are some great ideas on the wish list sign up sheets, which were passed around at the last meeting. Here are just a few of the rides that were suggested, Pismo Beach, Lake Hughes, camping, San Diego, Joshua tree, Solvang, Santa Barbara, Death Valley. If you're interested in leading one of these rides get with us to discuss. The sheets will be passed around at every meeting so you can list your favorite ride and sign up to be a ride leader.

Everyone is welcome to join in at all planning meetings, just remember if you can't attend and want to lead a ride, let us know. MORE BIKES=MORE FUN

## Preparing for a Ride

Whether you are planning a trip to the store, an all day ride or more, you should take a few precautions. First off, if you take any medications, did you take them or bring them with you for later? Do they have a “warning-do not operate heavy equipment” label on the bottle? This time of year, there are a lot of members that are coming down with a cold or the flu. If you are getting sick, you should think twice about going on a ride. You could make it worse, get dizzy (more than normal :-)) or infect the rest of your group.

The weather has been crazy lately. Near freezing in the mornings and creeping up to the 80's by afternoon. This means that we are confused as to which jacket to wear and do we need our heated gear. Then, if you decide on both, where do you keep the other without pulling your trailer?????

**Continued on Page 12**

There are some things that we forget in the beginning of the nice weather season or when the sun blasts through-SUNSCREEN!!! Even when we cover up with our ventilated jackets, we have exposed areas that need protection. I know, I have to have check-ups twice a year for skin cancer treatments and have had a couple of surgeries already. It is amazing how sunburned your face and nose can get on a nice day. Do your self a favor and put a little sunscreen on your nose and cheeks. You'll be happy you did when you get home.

And lastly, it's a good idea to keep "Emergency Contact" information in your bike. Just write down names and phone numbers on a sheet of paper. Also include a list of medications that you take. And include any "ALLERGIES" that you have. We keep ours in the right locked compartment on the dash of our bike. If you don't have the same compartment, put it in the trunk or your wallet.

These are just a few items to think about to help you "plan ahead" for a nice ride. And don't forget to do your "T-CLOCK" before you hit the road!

## SLICE OF WRY

In a high school class, they were discussing the qualifications for becoming President of the United States. The requirements are pretty simple. The candidate must be a natural born citizen and at least 35 years old.

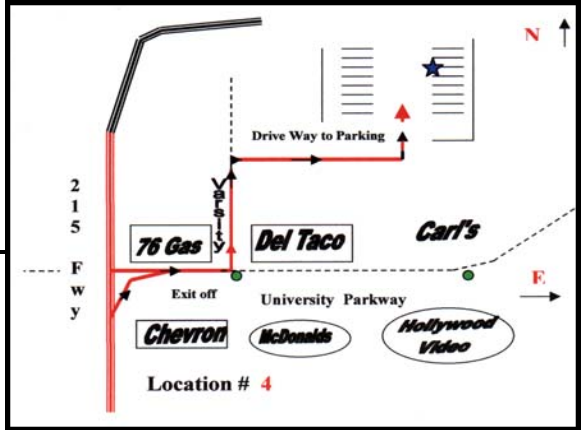

A girl in the class piped up and began complaining about how unfair it was to require the candidate to be a natural born citizen. In her opinion, that made it impossible for many qualified people to run for the office.

She went on and on, wrapping up her argument with, "What makes a natural born citizen more qualified to be President than one born by C-Section?"

## Newsletter Policy

Chapter CA1M's newsletter is distributed free of charge to GWRRA members or GWRRA boosters who participate in the Chapter activities. The newsletter is also distributed free to all advertisers and certain motorcycle related businesses or interests. After four months of non-participation as determined by the Membership Chairman, Newsletter Editor or the Chapter Director you may be removed from the mailing list. You will remain off the mailing list until you participate again or you make other arrangements with the Newsletter Editor or the Chapter Director.

Remember, the newsletter is what we make it. Please submit articles that you think will be interesting or informative to other Chapter members. The articles may be about your favorite ride, bike accessory, or just a funny story.

All articles submitted may be edited at the discretion of the Newsletter Editor, depending on the space available. *Controversial subject matter may not be submitted.*

Please submit your article by e-mail or typed letter to the Newsletter Editor by the 19th of the month to be in the next month's newsletter. Material in the newsletter may be reprinted without permission.
