## Trent & Denise Reid CA1M Chapter Director

Ramblings

It has been a very busy month and as I write this article I am reflecting on the past and the future all at the same time. This past month GWRRA lost a very vital person as well as a personal friend. Larry Pickens from CA1A passed away in Jan.. He will be missed by all he touched. Larry and Donna joined GWRRA 20 years ago about the same time as Denise and I. They are founding members of CA1A and thru the years held many positions within GWRRA. Larry's memorial service was held in Lancaster and was attended by over 200 GWRRA members, and the following week he was laid to rest at Riverside National Cemetery with full Military Honors. Larry Tegal and I were privileged to be a part of the Patriot Guard to show our respect for Larry. Larry will be missed by all who knew him.

The California District Officers Meeting was held in Bakersfield and the Ca. District Convention was announced. The convention will have a 60's theme and contest for table center piece designs by each chapter will be judged and prizes awarded. There will also be contest for 60's outfits as well. They say if you remember the 60's you probably were not there. In case this is not correct, break out those 60's outfits, or be on the lookout for those, dare I say, "VINTAGE" clothes and lets show the state just how great a job we can do. No limits have been announced so I guess everything is allowed as long as it is legal. I already have a few ideas but if you have some share and be creative and invade the central valley with "HIPPIES". Another goal for Region F and Ca. District this year is to HAVE FUN. As a chapter lets be open to crazy and wild events.

We already have an event that should be fun and different. It will be a surprise of sorts. We have a number of chapter ride flyers that were passed out at the officers meetings and those will be available at all of our chapter meetings. I would encourage you to support these chapters as they have supported us in the past. I know they would like to have your pre registrations to help them plan their event.

Larry Tegal is working on getting some training seminars set up as we want our members to be the safest riders they can be. Stay tuned for more information and be sure and sign up with him.

One of the comments I heard at the officers meeting from someone who has been riding all over the country with many chapters was simply, I enjoy riding with Chapter M and learned so much by riding with them, they are safe riders and really know how to team ride.

Thank you all for your dedication to Rider Education. Thank You to all those who have been trainers/educators, and to those who came before you. Your efforts are noticed.

On a personal note, I have heard similar comments from numerous chapters and people over the last couple of years.

Hearing these type of comments makes be proud to be a part of CA1M. Thank you all. If you have read this completely you are in luck. All those who show the peace sign and say "Peace" when they sign in will receive 5 extra door prize tickets. Judy must hear and see you directly.

## Goodbye To A Dear Friend

Last month was an emotional rollercoaster of highs and lows. First, California felt the loss of one of our most beloved Life Members with the unexpected passing of Larry Pickens. Then there was the absolutely perfect memorial service at which over 200 GWRRA members attended. It was beautiful to see so many members come together from all over the Region to celebrate his life and to show his wife, Donna, so much love and support. As your District Directors, it was truly one of our proudest moments as we saw such an outpouring of love and respect for a friend and family member. Later that week, Larry was laid to rest at the Riverside National Cemetery in a solemn ceremony as only the military can do. We can truly say that there is a hole in our hearts that can never be filled.

Two days later, most of the same people gathered in Bakersfield for our annual Officer's Conference. Deputy Directors Anita and J.R. Alkire were there to install Mike and Barri Critzman as our new Motorist Awareness National Directors as well as Mike and Ruth Burke as the new Region "F" Educators. That evening, most of the attendees gathered in our suite for a party that ran until the wee hours of the morning. I would like to provide more details of that event, but we promised everyone there that what happens in Bakersfield stays in Bakersfield so if you want to know what really goes on you will just have to attend next year.

This month Chapter CA1-I kicks off our rally season with their annual Valentine's Day run, this year it is a full week before Valentine's Day so it will not interfere with your personal Valentines celebration. So please come out and support chapter CA-1I on February 7<sup>th</sup> at Bert's Mega-Mall in Covina. We will again announce the winner of this year's Chapter of the Year. We look forward to seeing everyone there, until next month...

Ride well and ride often,  
 Vincent and Pamela Puterbaugh

## Tour Directors John & Tammy

### On the Road Again

I'm excited to begin a new year. There is something about putting the past behind you and looking forward to a new year that is very exciting.

### Lets talk about RENO!!!!

I'm really looking forward to RENO. I can't wait for June. We need to concentrate and get our ducks in a row to get our hotel rooms and reservations. If you are planning on going to Reno, please let me know, [bkakajohn@sbcglobal.net](mailto:bkakajohn@sbcglobal.net). Current plans are, we are leaving Saturday June 13 th, staying in Modesto, then on to Angels Camp on Sunday June 14<sup>th</sup>. Staying in Angels Camp on Sunday night, then to Reno on Monday. We are still working on places to stay for our first two nights, Saturday and Sunday nights. We've booked our rooms at The Grand Sierra Resort starting on the 15th of June through the 20<sup>th</sup>. If you plan on going to Reno you should book your rooms now.

2015 we are always looking for new adventures and ride leaders. Last month at the planning meeting Sheree and Larry came up with a ride called "Trains, Planes and Automobiles".

For those of you that are looking for short rides, I am leading a Sunday morning breakfast ride on the 22nd. Short ride to breakfast and then home, we are going to Chino Airport, meet at Loc #2 at 9am. Keep checking your e-mails for the upcoming ride events. As always, the ride leaders are important and thanks to those of you that have stepped up to the plate to lead the rides, you are appreciated.

A note: from your tour director.

Each and every of you bring a special shine to this Chapter, your individuality and presence is what makes CA1M, so special!!!!

## Winter is Finally Here???

3 weeks ago WE had snow on the ground! If you were away from home on your bike, you definitely got a surprise! Even before that we started getting snow and ice in the local mountains. The point is, you can't be too prepared. Even if the sun comes out and the clouds go away, there is still a lot of dangers lurking around the next corner. All of those pretty green trees make for shadows that stretch across the road. The sun coming out melts the snow and it runs across those shadowed corners that are still cold and creates BLACK ICE. Black ice is a rider's/driver's worst nightmare. And you can't see it until it's too late. Slow down and look before you roll on the throttle in those twisties that we all love. Unfortunately, we have to wait until the spring, summer and fall to ride most of our truly favorite mountain roads. Be very careful if you decide to go up in the mountains this time of year.

The other issue is that you have to carry your rain gear in your saddlebags all of the time. You never know when a rogue cloud burst will strike. They happen when you least expect them. It's also not a bad idea to at least carry a good half cover to keep the weather off of your instruments and your seat. And by all means, make sure that you have good tread on your tires. Bald tires spell disaster in wet weather.

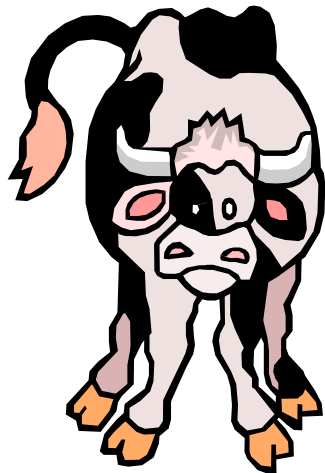

A good set of heated clothing is also a good investment this time of year. It might be perfect riding weather with the sun out. But when it goes down, it gets cold quickly. At least carry another layer to put on and a good pair of winter riding gloves if not electrics.

It's going to be June and 100 degrees before we know it. But in the meantime, be prepared for the weather we have.

If you have any questions about types of gear that I have mentioned, please e-mail or call. We would be glad to suggest or discuss the options available. Almost all of the options available are used by someone in our Chapter. And they can tell you the pro's and con's on most of them. And, above all;
