CA1M Chapter Director

Moouoo! February turned out to be a great month for riding. John Somma's Wednesday night ride we had 9 bikes and Tammy came too on John's bike! Yeah Tammy! So proud of you! John took us on a ride thru the orange groves of Riverside and ended up at Bann Thai restaurant. Sue and Rich met up with us at the restaurant. The meal was excellent!

Next, was our ride to Sedona. It was gorgeous weather the whole time! Sedona was beautiful as ever and we always see more new things each time we go. We climbed the hill to see the church built in the hill and rocks to take a glimpse inside. It was very inspiring. The church overlooks the valley below in its many splendid views. It does bring a special place of reverence to ones heart. I would love to sit and hear a sermon in the congregation. It's really a moving experience to see this.

We also went thru Jerome which is always my favorite town to ride thru. It's an old mining town that is still standing with many businesses and restaurants scattered over the hillside overlooking the Valley. The shops are still the original buildings from the miners. The herd spent a lot of time together in the evenings as well, we would meet outside of Rich and Sue's room under a tree and enjoy the sunset into the darkness. Many laughs and fun were had, as well as going over the days events. Rich Blackburn led an AWESOME ride. Rich's rides are always the best as he knows all the little off the beaten path rides that have many adventures waiting to be had.

Continued on page 4

The one thing we love about our Herd family is how much you really feel a part of the family. All of us having a great time together and planning our next adventure together and reminiscing about past rides and experiences that make us all smile. Sue loves the rides because it helps

her build her list of nominees for the next cow bell.

Speaking of one of our next major rides is the summer ride to Madison Wisconsin. We had an excellent turn out with lots of great ideas to make the trip even more fun. We even booked some of our rooms for part of the trip!

On another note we need your pictures if you have taken any at the Christmas Party or meetings, and road trips. We want to be in the run this year for chapter of the year. So if you would please submit me a CD or USB storage device to Barb Tait so that she can download them to her computer. If you upload them directly on our picture site we can't fix or edit any pics and sometimes the images are too small. So please pick your best shots and put them in a file and let me know where and when the event took place. We want to have lots of pictures in this years Herd book that is being made. When were done making the book you will also be able to purchase one if you like. Its fun to have a yearbook of all our fun memories that we made together.

As your Chapter Directors we want to thank all our Herd members for being a part and making it happen! It's because of all of you, that make the Herd so special. Steve, Becki and I know that our Chapter has an excellent chance of being chapter of the year. Chapter M knows how to have fun and still be a close family! We can't wait for the year to unfold with lots of fun events and things to do together. Don't be afraid to suggest an event or ride because we love to do new things. You don't have to lead it if you don't want to, we can cover you on that!

As we enter the month of March we're sure that you'll enjoy the many rides we have planned. In fact you may feel that you found your pot of Gold at the end of the rainbow with the rest of the Leprechauns that will be roaming around this month!

Again, thank you all for all your love and support in making this the best chapter ever! Remember the Herd that plays together stays together!

Don't stop believing

March, 2014 Newsletter article

Is it really March? The CaII poker ride was a huge success and kicked off the riding season with a big bang. Riding season this year has been totally extended with little moisture so far, plants are blooming and spring is in the air with no sign of winter. For those of you who ride year round it is time to schedule that bike maintenance and get your bike ready to rack up some miles.

The District Officers meeting was full of information and lots of new officers were installed. Top information to share for those who haven't heard yet, this years **District Convention** will be held in Agoura Hills at the Sheraton Hotel. The theme will be HATS, so dig out that crazy hat you haven't worn for years or be on the lookout for that one of a kind and unique hat that you have always wanted but never had the chance to wear some place, now is the time to let your imagination run wild. Flyers will be available at chapter meetings and at the District website. Register now so you don't forget. Sheraton is now taking reservations and rooms are starting at a low price of only \$89.00.

Our annual president's weekend trip was well attended and I hear tons of fun was had by all. We even had someone taking pictures of our riders from the other side of the fence in Quartzsite, very impressive.

Be sure and check out the chapter website calendar for our scheduled rides and leave times. I am looking at mine right now and so glad I don't have yard work to schedule this month.

Larry Tegel has schedule a **CPR class** for Sat.3/15, contact Larry if you plan on attending., The District **Horizon** meeting is scheduled for the 3/22 in Riverside area (if you wish to attend Let us know, Chapter is picking up the registration for CA1M members). Ca1R is hosting **Rally in the Valley** (Laughlin this year) 3/28 thru the 30th. Along with these activities we have scheduled Chapter visitations to **CA1Z** and **CA1F**, check **CA1M.org** for leave times and locations.

Also don't forget to get those registrations in for **CA1Q Rendezvous** ride on April 6th, forms are available online. (gwrra-ca1q.org)

For those of you who are wondering about rides activities throughout the District, if you go to Google and type in GWRRA and the chapter (ie: CA1Q or CA1M) you will find links to most chapters. There are a lot of chapters that are on FACEBOOK as well, remember we are all Friends, Family, and members of GWRRA.

Finally CONGRATULATIONS to Steve and Sandy (or is that Karen) for receiving their FORMER Patches and Their SENIOR Chapter Director Patches.

Back In the Saddle Again . . . part two!

Close calls remind us of just how quickly our lives can change and, afterwards, we are left asking ourselves, “What can we learn from this?” Whether it is a car that unexpectedly turns in front of us or the sudden discovery of a growth on our body that wasn’t there yesterday, our lives can change in an instant. Last month, California held its collective breath as we awaited the outcome of Barbara Jefferies surgery for breast cancer. According to her husband, Tom, the doctors say that they caught it early and her prognosis of a full recovery is excellent. Breast cancer is a leading cause of death among women today. In 2014, the American Cancer Society predicts that 232,670 new cases of breast cancer in women will be diagnosed resulting in over 40,000 deaths. Even though breast cancer is 100 times more prevalent in women than in men, men are certainly not immune from breast cancer; 2014 estimates are that 2,360 men will be diagnosed with invasive forms of breast cancer resulting in 430 deaths. Thankfully, our prayers for Barbara and Tom appear to be answered, and, hopefully, they will be back in the saddle again shortly, but now for the learning moment: As we age, we tend to accept the changes in our bodies as a normal function of aging. Instead, we need to critically look at any changes as potential warning signs that need to be addressed early while they are still close calls rather than tragedies.

Continued on page 7

In keeping with the theme of “back in the saddle”, StreetMasters is holding their first class of the year on Saturday, March 15th. Regardless of whether you have been riding all winter or are just getting back on the bike after taking a few months off, refreshing your low speed skills and improving your cornering skills is something that we all need to constantly be working on and there is no better way to prepare for CA1-R’s Rally In the Valley event in Laughlin on March 28th–30th. As far as weekend over-nighters go, you will be hard pressed to beat this one for fun and value.

To complete the “back in the saddle” hat trick, I am so ready to get out of our four-wheeler and back onto two. My ankle surgery was successful and I am almost strong enough to trust my ankle in case of a close call. We thought we would be back on the Wing for the Valentine Rally, but I just wasn’t confident yet with a co-rider. It will be a few more weeks yet, but with a little bit of luck, we will be in Laughlin on our Wing.

Until next month, ride well and ride often.

Vincent and Pamela Puterbaugh

ON THE ROAD AGAIN

Your Tour Directors

Rich and John

Now that the holidays are behind us and the California chapters are beginning the New Year, our riding season is under way. Bill Lindsey led a great desert ride after the February meeting with a surprise lunch at a camping resort. 15 riders from Chapter M went to Sedona for President's weekend. Everyone had a great time and we couldn't have asked for better weather. Wish more of you were there. What happens in Cottonwood stays in Cottonwood. (NOT!)

We will be planning overnights rides for this year. With the 2014 schedules out we will plan on visiting our sister chapters throughout the state. There is also Region Rally in St. George, Utah over Memorial Day weekend and Wing Ding in Madison, Wisconsin. There will be a Wing Ding planning meeting February 22nd at the Britton's home at 10:30 AM. This may be the last 4th of July Wing Ding. Beginning in 2015 it will be held over Labor Day weekend. We hope more of you can join us on our adventures for 2014.

In March we will visit chapters starting with CA1Z on the 1st, CA1F on the 8th. The Rally in the Valley poker ride is on the 28th, 29th & 30th of March. To get the GW rate you must make your reservations by the 26th of February. See the rally flyer.

RIDER ED 'GIMME 5'

TOPIC: Team Riding Responsibilities

In GWRRA we are always doing things in groups. We meet our fellow chapter members and ride together for a weekly dinner run. Or we join each other for a weekend breakfast before going on a run. Or we make an ice cream run together on a weekly basis. Most chapters have this kind of camaraderie and fellowship in one form or another. Then there are the monthly Gatherings where we meet and eat and have fun. And the rides to visit other chapters and support them at their Fun Run or Anniversary Party or Pig Out, and various other events that chapters put on. Much of the time we ride together in groups traveling to and from our various destinations.

Whenever we ride in groups, someone is in the Lead position. Hopefully, it is one of our GWRRA-trained Road Captains. In our chapter, it is someone whom we trust, respect and have confidence in. Someone with good judgment who is prepared to lead the group from the starting point all the way to our destination. Someone who has a planned route and shares it with all who join the ride. S/He holds pre-ride meetings with all participants to tell us the route, advise us of any stops along the way, and discuss our speed on the road. Our Lead may ask questions about who is on medication, who may need to stop at shorter intervals (perhaps due to a smaller gas tank), who has a CB radio and who does not, etc. Our Road Captain covers hand signals for riders that are new to our group, too. Our Road Captain has been leading our rides for a few years now. We don't think twice about following him/her because s/he never lets us down. We always arrive safely when we follow our Road Captain. We are very fortunate to have such a capable Road Captain in the Lead!

Continued on page 10

Continued from pg. 9

We also have another Road Captain, trained in the GWRRA way, to bring up the rear of the group. This is our Drag bike, or Tail Gunner. These two (Lead & Drag) work together like Lennon and McCartney. The Drag seems to know what the Lead is thinking, securing the lane almost as the thought passes through the mind of our Lead. They communicate well with each other and with the rest of the **team**. They let the group know what is going on around us. They inform us about things, like telling us we will be turning – in advance of the turn; when a car is attempting to pass the group on a 2-lane road; or when a car is passing on the right when we are on the highway. Our Lead and Drag always keep us aware of hazards on the road and all around us. We know they are looking out for the safety of the group. With Road Captains of this caliber, we feel very safe. We know we can enjoy the ride and watch the scenery with these two in charge.

Wait! Stop right there! We all need to remember that even those of us in the middle of the formation have responsibilities. We are responsible to pass on the hand signals from the Lead, such as for single file, stagger formation, pointing out potholes and road kill, sand in the corners, and other hazards, etc. We need to be aware who we are riding with, too. The burden is not all on the Road Captains. We cannot sleep because we ride in the middle of the pack. We need to maintain safe spacing with the other bikes around us. And most importantly, we need to ride our own ride. We must stay alert. Hazards don't always appear in front of the Lead bike. Sometimes they come at the riders in the middle of the group. We need to be aware of our surroundings and always be prepared to react to the unexpected at all times. We must remember that, just because our Road Captain is leading us, we are not excused from thinking for ourselves and riding our own ride. We are **all** responsible for our own safety at **all** times. **Never** give that responsibility away. It is nice to have someone willing to help look out for your safety, but ultimately, it is your life. Guard it wisely! Be sure to ride your own ride, even while Team Riding!

SLICE OF WRY

A drunk was staggering down the main street of town. Somehow, he managed to make it up the stairs to the cathedral and into the building, where he crashed from pew to pew. He finally made his way to a side aisle and into a confessional. A priest had been observing the man's sorry progress. Figuring the fellow was in need of some assistance, he proceeded to enter his side of the confessional. His attention was rewarded only by a lengthy silence. Finally he asked, "May I help you, my son?" "I dunno." came the drunk's voice from behind the partition. "You got any toilet paper on your side?"
